Brandon,

On behalf of all of us at the FORT Group I want to take a few moments to acknowledge and thank you for your participation in our 2019 Leadership Workshop. Joining our meeting last month at the Teaneck Marriott and sharing both your experience and wisdom was informative, enjoyable and a key start to the day!

It was truly an entertaining and honest presentation. I particularly enjoyed the way that you intertwined the stories about growing up in Brooklyn and your mom to life lessons in business. Everyone in the room could relate to the stories and your humor.

We were all in agreement that your presentation met all our expectations and provided insight on topics and challenges in our business! The material was relatable and as always you were interactive, engaging and thorough.

Thank you again for making time for us and know that I would recommend you Brandon, to any professional group seeking to educate and inspire employees or members.

Sincerely,

Frank DiGioia
President/CEO
