The Perfect Design for Car and RV travel

The P100 is luxuriously designed with a leather carrying strap and is lightweight making it easy to carry for everyone. Simply pick it up and go anywhere indoors or outdoors.

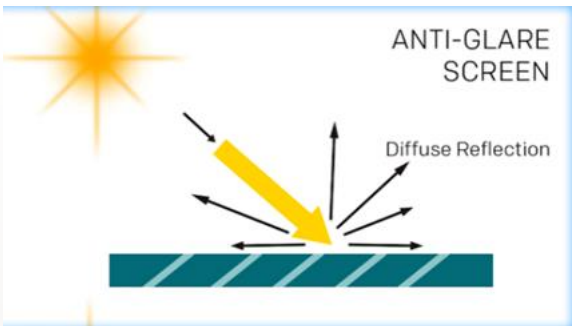

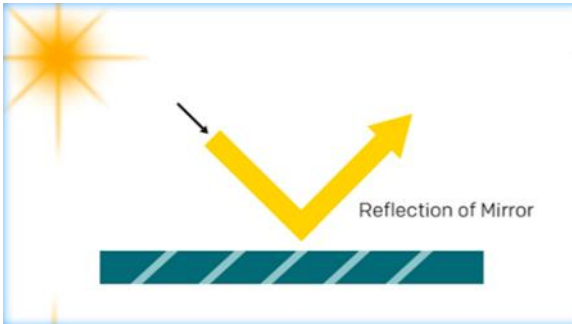

Perfect Color, Off-Angle and Resolution

178° wide viewing angle renders outstanding clarity, brightness, and color.

¹ Requires 3rd party control system installation, check with your installer. ** Battery Life Spec when playing video.

² This Portable Display requires a wireless or LAN connection to enjoy Free and Subscription-based streaming of broadcast programming.

Matte Screen Anti-Glare Display

The P100 Matte Screen design helps to reduce the annoying distraction of reflected light and glare and improves off-angle contrast ratio for deeper colors while watching streaming TV indoors or outdoors, sports when tailgating, or a movie while on a camping trip.

Perfect Combination of Portability and Size

The P100 offers the perfect blend of portability and size with a screen large enough to be enjoyed throughout the household, yet compact and lightweight enough to take anywhere.

Front Firing Speakers with Dolby Audio

A built-in front-firing soundbar design features two 8W speakers delivering a spectacular stereo sound quality that provides plenty of volume even when you are outdoors. The speaker grills are handsomely designed with a textured linen speaker grill.

* A Wi-Fi or LAN connection is required to enjoy free and subscription-based streaming

content and local broadcast programming via its Smart Google TV Platform.
¹ Requires 3rd party control system installation, check with your installer. * Battery Life Spec when playing video.

² This Portable Display requires a wireless or LAN connection to enjoy Free and Subscription-based streaming of broadcast programming.

Wireless Entertainment Anywhere You Go

Skyworth's P100 24" portable screen is the perfect wireless entertainment choice for a variety of indoor and outdoor uses. Enjoy it in the kitchen, bar side, while bathing, damping, and when in your backyard. AC/DC operation and charging solutions will help keep you on the go!
