

The new TD7300 HD Smart Google TV™ features a sleek bezel-less design and is packed with many premium features. Great off-angle viewing and a Bluetooth Remote with Google Assistant voice control.

HDTV

A lifelike picture experience

HDTV resolution delivers more picture detail vs. SDTV

Google TV

Movies and shows picked just for you.

Discover new movies and shows with suggestions based on what you've watched and what interests you. You can even add to your Watchlist right from your phone, so your recommendations are always up to date.

Google Assistant

Watch what you love. Control it with your voice.

HD Up-Conversion

Skyworth's advanced picture improvement Technology optimizes contrast, details, and color tones to deliver the perfect picture.

360° IMMERSIVE SOUND

The TD7300 Series features Dolby Digital Sound so movies, sports and games come to life with a richer stereoscopic surround sound effects that will make you feel like you're there.

Chromecast Built-in

Chromecast technology comes built-in to the TD7300. Feel free to use your mobile device to stream your favorite shows, movies, music, sports, games, and more to the big screen.

Google TV

The entertainment you love. With a little help from Google.

Google TV brings together movies, shows, live TV, and more from across your apps and subscriptions and organizes them just for you.

Bluetooth Remote Control

No need to aim the remote control directly at the TV. Enjoy voice control at the push of a button.
