4K UHD TV
A lifelike picture experience

4K UHD Resolution delivers 4x more picture detail vs. FHD

Google TV
Movies and shows picked just for you.

Discover new movies and shows with suggestions based on what you've watched and what interests you. You can even add to your Watchlist right from your phone, so your recommendations are always up to date.

Google Assistant

Watch what you love. Control it with your voice.

4K UHD Up-Conversion

Skyworth's advanced picture improvement Technology optimizes contrast, details, and color tones to deliver the perfect picture.

DOLBY VISION, HDR 10, HLG

The UE7600 supports all Hollywood Studio Movies color graded and encoded in the Dolby Vision and HDR10 formats. HDR Movies and games will look better because of a wider dynamic range experience. HLG HDR decoding for live TV broadcast.
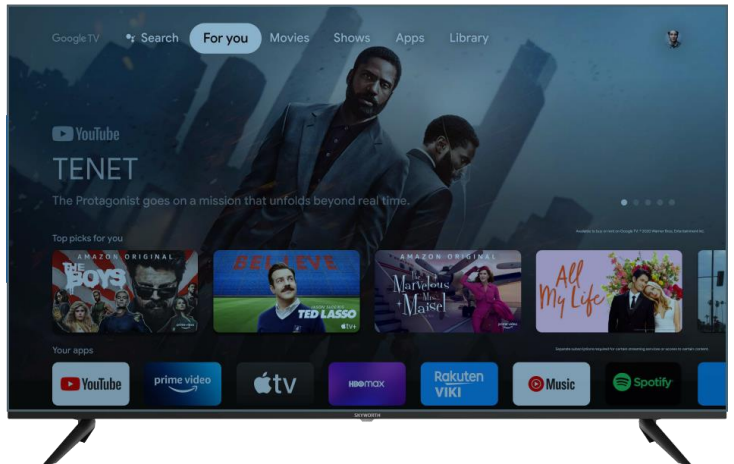

360° IMMERSIVE SOUND

The UE7600 Series features Dolby Digital Plus and DTS StudioSound so movies, sports and games come to life with a richer stereoscopic surround sound effects that will make you feel like you're there.

Google TV

The entertainment you love. With a little help from Google.

Google TV brings together movies, shows, live TV, and more from across your apps and subscriptions and organizes them just for you.

75" cosmetic is slightly different

Bluetooth Remote Control

No need to aim the remote control directly at the TV. Enjoy voice control at the push of a button.

Google TV is the name of this device's software experience and a trademark of Google LLC
