

Memory Plus

Mattress

ABOUT MEMORY PLUS

Specially designed for our Clei wall beds, our Memory Plus Mattress features 2.5" of Memory Gel Foam and a CertiPUR high-density foam core. This reversible mattress offers 2 sleep surfaces, allowing you to choose your custom comfort level. The removable cover is equipped with innovative ECONANOSHIELD technology, making it antimicrobial, stain-resistant, and water and oil-repellent, wicking away moisture for for a supremely comfortable sleep.
