## Mattress

### ABOUT SMART MEMORY

Specially designed for our Clei wall beds, our Smart Memory Mattress features 2" of Memory Gel Foam and a CertiPUR high-density foam core. The breathable, 100% organic cotton cover is equipped with innovative ECONANOSHEILD technology, making it stain-resistant, antimicrobial, and water and oil-repellent, wicking away moisture for a supremely comfortable sleep.

### MATTRESS FEATURES

#### FIRMNESS

Medium Soft, Reversible

#### BREATHABILITY

Our mattresses are expertly engineered to offer perfect breathability, dissipating excess moisture and heat for the ultimate night's sleep.

#### COVER MATERIAL

100% Organic Cotton Cover with ECONANOSHIELD technology. Antimicrobial, Antibacterial, & Hypoallergenic. Durable and resistant to pilling.

#### PADDING & CORE MATERIAL

2" of Memory Gel Foam and a CertiPUR high-density foam core. The breathable, 100% organic cotton cover is equipped with innovative ECONANOSHEILD technology, making it stain-resistant, antimicrobial, and water and oil-repellent, wicking away moisture for a supremely comfortable sleep.

#### MEMORY FOAM

Open-cell, high-density viscoelastic material, which encourages airflow inside the mattress and allows it to mold precisely to your body—taking pressure off the spine, promoting good posture, and aiding circulation. It disperses heat and moisture while preventing mold and bacteria for a cooler, more hygienic sleep.

#### VACUUM-SEALED PACKAGING

Each mattress is machine-pressed and vacuum-sealed. Specialized packaging keeps your mattress free from bacteria, debris, and damage during transport. Your mattress will return to its original shape and volume after opening.

#### WARRANTY

10 year prorated warranty.
