A **GILLCAPITAL** Company

Scoop Wholefoods offer a wide variety of raw organic and natural wholefoods for our customers at affordable prices combined with flexible, quantity and selection. **From nuts, dried fruits, spices, rice, pasta, tea and chocolates to freshly made nut butters and so much more.** We source our products primarily from certified Australian and New Zealand growers and suppliers. We make every effort to ensure that other products come from ethical and sustainable sources. In order to keep our carbon footprint as light as possible we make minimum use of packaging and chemicals in our activities as part of our contribution to the local community and the long term well-being of our planet for this and future generations.
