

# TIMETEC SSD DISCLAIMER

## **Caution**

Failure to follow the SSD standard instruction may result in injury, damage to the product or data loss. Please read the general SSD guide before using the product.

## **Back Up Important Data**

No computer system can be absolutely secure. Timetec does not provide any kind of guarantee and/or warranty against data loss on Timetec SSD under any circumstances. Timetec disclaims any and all liabilities for emotional distress and/or physical and/or monetary damages or losses of any kind caused by loss and/or restoration of data stored on Timetec SSD. Be sure to back up important data at all times.

## **Connect to Certified Devices; Compliance with Safety Standards**

This product has been designed to comply with power consumption limitations according to safety standards. Please use devices and interface ports that comply with related standards.

## **Avoid Shock, Vibration**

Please have the product avoid any strong shock or vibration that may cause malfunction or data loss.

## **Do Not Disassemble, Damage, or Remove Label**

Do not disassemble the product or damage or remove the stickers or labels on the product. If the product has been disassembled, damaged, or if the label has been removed by the user, all warranties will be void. For the purpose of repairs, please contact a Timetec Service Center only or such other service providers designated by Timetec.

## **Use Genuine Accessories**

Always use genuine parts and accessories certified by Timetec. Timetec shall not be liable for damages to the product or loss of user data caused by use of non-genuine parts or accessories

## **Use in Appropriate Temperature and Humidity**

Use the product in an appropriate environment: temperature between 5°C - 35°C and humidity between 10 - 80%.

Use No Excessive Force in installation.

Do not install the ssd using excessive force. It may cause an unstable connection or damage to the connector.

## **Use No Excessive Force in Installation**

Do not install the SSD using excessive force. It may cause an unstable connection or damage to the product.

## **Perform Virus Scans and Updates**

Please follow the following safety guidelines to prevent virus infections.

- Install an antivirus program on the computer to which the SSD is connected, and perform virus scans on a regular basis.
- Always update the operating system and the anti-virus software with the latest version.
- After downloading files to the SSD perform a virus scan before opening the file.

## **Clean the Product**

It is recommended that you clean the product by wiping gently with a soft cloth. Do not use water, chemical substances or detergent. They may cause discoloration or corrosion in the product's exterior, and may also cause fire or electric shock.

## **Keep Away from Children, Infants and Animals**

Small parts pose a risk of suffocation. Please keep the product away from children, infants or animals to prevent them from putting the product or parts in the mouth.
