

Jack Herer Auto Lamota - Tap root disease cannabis

GO TO OUR ONLINE STORE: <https://t.co/G33OKiBKCS>

Jack Herer Auto by Green House Seeds is a cannabis seed that has its origins in the cross of a Jack Herer and a Ruderalis. It is a medium-sized, hardy marijuana plant with thin, elongated leaves that produces fast crops even in the hands of beginners. It is advisable to enrich the soil with coco and to water carefully but repeatedly. Auto Jack Herer by Advanced Seeds is an autoflowering cannabis seed that has its origins in the cross of a Ruderalis and a Jack Herer. It is a small marijuana plant with mid-sized leaves that yields plenty of dense elongated buds brimming with resin. The flavour and aroma of Auto Jack Herer are complex, spiced and with the taste of exotic wood. #saludybienestar #medicina #natural
