Jack Herer Autoflowering: Ready for harvest in just 10 weeks. Jack Herer Automatic brings autoflowering genetics to this classic strain. Jack Herer was named after the famous hemp advocate who authored the book "The Emperor Wears No Clothes" which discussed the many uses of cannabis and hemp from an industrial fibre to a crucial medicine. Jack Herer is the only genetics that has won more than 10 Cannabis Cups, it was found everywhere back at the time and is available in most coffeeshops in Amsterdam and it's widely found in California. Without a doubt, this is the most legendary strain since the '90s deserving a place in the cannabis Hall of Fame. With mossy-looking lime green foliage and an

abundance of starry luminous yellow flowers in the summertime, this spreading succulent is perfect for walls, rockeries, poor shallow soil and stony spot providing they have good drainage.
