

## #METHOD 01

#01

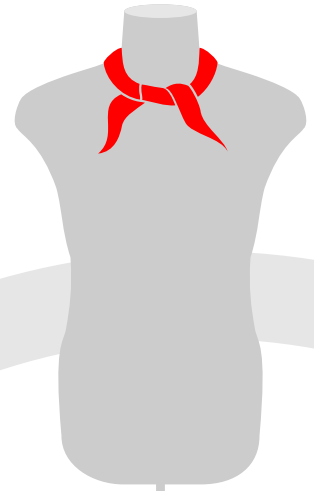

Lay neckerchief flat

#02

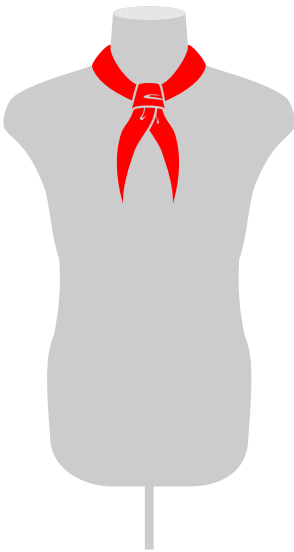

Place the neckerchief around the neck

#03

Shape knot as shown. Top of knot even with bottom of V. Ends same length.

#04

Using the right hand, bring the right end of the neckerchief across the top of the left end of the neckerchief. Pass the right end of the neckerchief around and behind the left end. Finally, pass the right end through the opening of the neckerchief at the neck. The end of the neckerchief that was originally held by the right hand will now be held by the left hand. Pull on both ends of the neckerchief, tightening it securely.

#05

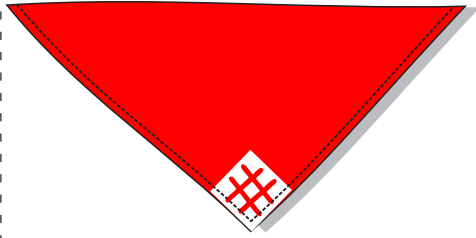

Tuck loose ends into the knot - finish results

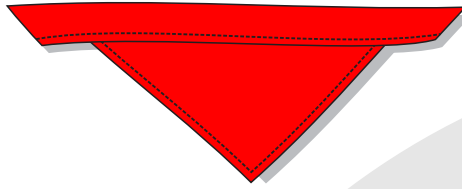

## #METHOD 02

#01

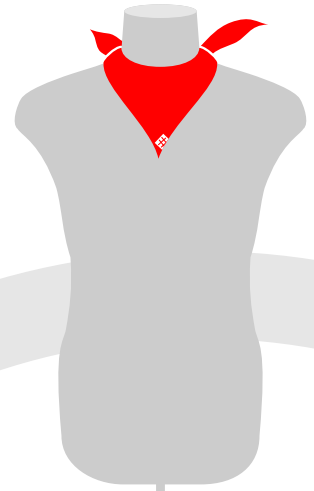

Lay neckerchief flat

#02

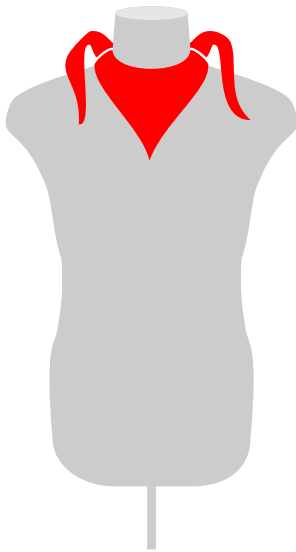

Fold over

#03

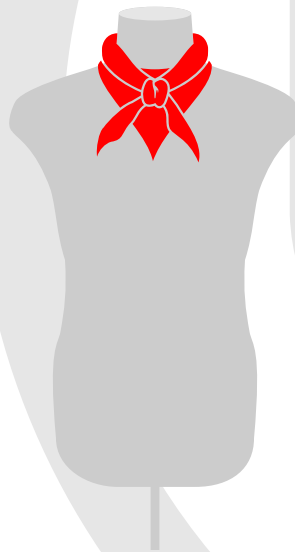

Place the neckerchief around the neck

#04

Cross over and bring ends to the front

#05

Tie twice in a knot

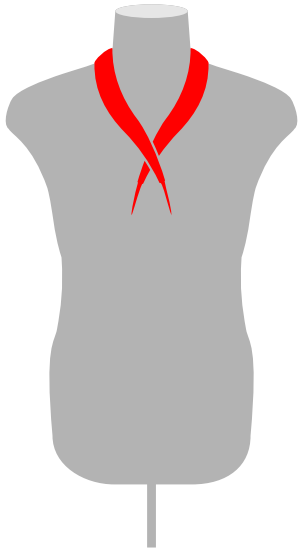

# HOW TO FOLD NECKERCHIEF

## Culinary Works

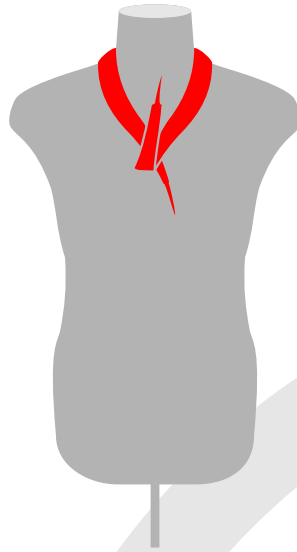

### #METHOD 03

#01

Roll the long edge of the neckerchief first, to give neat ends to tie

#02

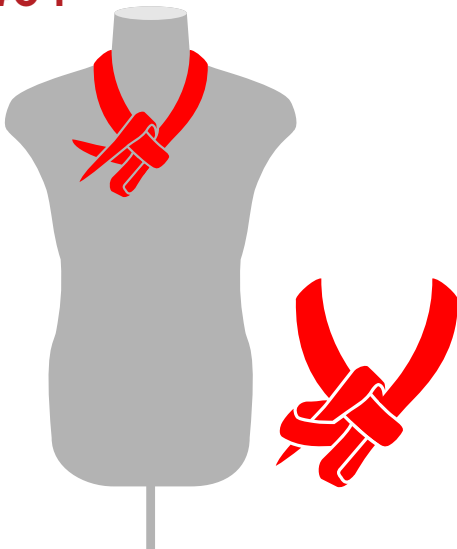

Cross one end over the other then fold it back up on itself

#03

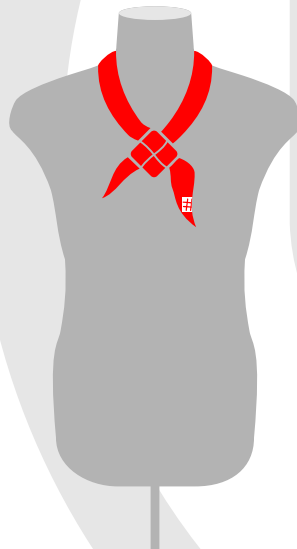

Bring the second end over the folded first end and take it round behind

#04

Bring end 1 down over end 2, then take end 2 round and over end 1 and tuck it through the loop formed by end 1

#05

Adjust the knot until the ends are even and the knot flat and square, tighten gently until it is the size you want
