## ORDERING REPLACEMENT PARTS

We get it, sometimes things happen, but the fun shouldn't stop just because you need a new bolt or screw. To order replacement parts, check out our website at: [www.skywalkertrampolines.com](http://www.skywalkertrampolines.com) or call our toll-free Customer Care Hot-line at **1-866-603-Jump (5867)**, Monday - Thursday 8 a.m. until 5 p.m., Friday 8 a.m. until 3 p.m. (excluding holidays).

Our customer service team will ask you a few questions in order to get the replacement part sent out as soon as possible. We're not trying to complicate your life, we promise.

When calling, make sure to have the following information ready:

- The model # of the product (see the front cover of this manual)
- The key # and description of the part (see the part list above)
- The quantity of parts needed (only you know the answer to that one)

## BEFORE YOU BEGIN

Thanks for choosing Skywalker Sports! We're just as excited as you are to help your family live an active (but most importantly **FUN**) lifestyle. This model is one of our favorites, and we're confident you'll love it too. To make things easier for you, we've listed important information that you need to know. Make sure you brush up on the warnings, instructions, assembly, maintenance, and use of your new product, because there will be a pop quiz at the end (Okay, not **REALLY**, but if you're still reading this, props to you! You're awesome.).

# PART IDENTIFICATION

Before you begin, take a look at the drawings below to make sure you have all the parts. The numbers in the squares to the left (key numbers) will help you identify the parts during assembly.

**1** Top frame middle tube **(x4)**

**2** Top frame corner tube **(x8)**

**3** Upper upright tube with end socket **(x4)**

**4** Lower upright tube **(x8)**

**5** Upper upright tube with middle sockets **(x4)**

**6** Side connection tube end **(x12)**

**7** Side connection tube middle **(x6)**

**8** Side connection joint **(x12)**

**9** Batting cage foot **(x8)**

**10** EyeBolt **(x8)**

**11** Arc washer **(x8)**

**12** M8 Nut black **(x40)**

**13** M8X45mm Bolt  
black **(x32)**

**14** Upright ground  
stake **(x16)**

**15** Batting cage foot end  
cap **(x16) Pre-installed**

**16** Side connection end  
cap **(x24) Pre-installed**

**17** Batting cage net  
40 ft. **(x1)**

**18** Metal net clip **(x8)**  
**Pre-installed**

**19** Elastic rope with  
ball **(x4)**

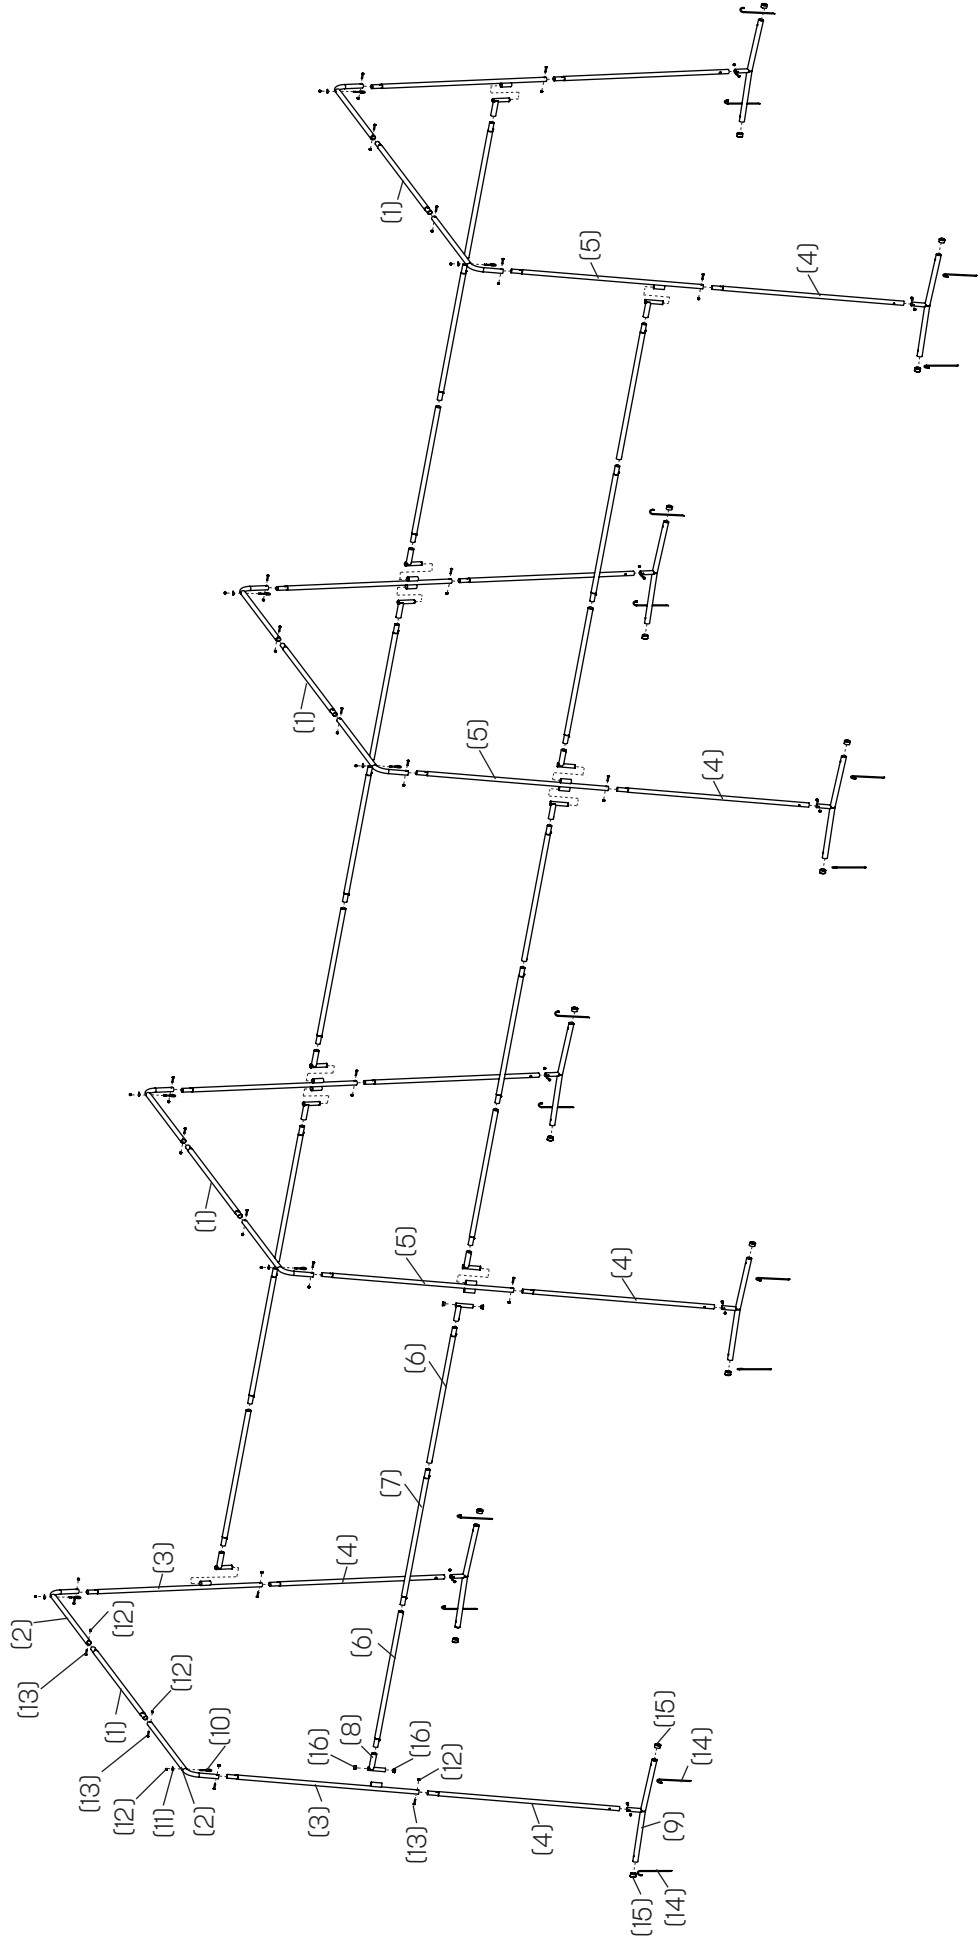

**20** Wrench **(x1)**

**21** S5 Allen wrench  
**(x1)**

# EXPLODED DRAWING

# ASSEMBLY

## READ THIS BEFORE YOU BEGIN

- We've provided some tools to help with assembly, but you're more than welcome to use your own.
- The assembly steps refer to parts by their descriptions and key numbers (see the part list on page 3).
- The assembly steps are written in a specific order, and if you don't follow them exactly... you may end up having to start all over again.
- Most importantly, this may not be the easiest thing you've ever done, but it will be **worth it**. Trust us.

And if you're a visual learner, check out our assembly videos!

**You Tube** Visit: [youtube.com/c/SkywalkerTrampolines](https://youtube.com/c/SkywalkerTrampolines)

### STEP 1

Register your Batting Cage. For info on **warranty registration**, see page 2.

### STEP 2

Attach the Eyebolt **(10)** to top frame corner tube **(2)**, secure with one arc washer **(11)**, and M8 Nut **(12)**.

**Repeat on all 8 corner tubes.**

# ASSEMBLY

## STEP 3

Attach two top frame corner tubes **(2)** to one top frame middle tube **(1)** as shown, secure with M8 Bolts **(13)** and M8 Nuts **(12)**.

**Repeat this step to attach all top frame corner tubes and top frame middle tubes.**

## STEP 4

Attach two Upper upright tube with end sockets **(3)** to a top frame corner tube assembly piece as shown, secure with M8 Bolts **(13)** and M8 Nuts **(12)**.

## STEP 5

Attach two lower upright tubes **(4)** to upper upright tubes with end sockets from step 4 as shown, secure with M8 Bolts **(13)** and M8 Nuts **(12)**.

## STEP 6

Attach two batting cage feet **(9)** to lower upright tubes from previous step as shown, secure with M8 Bolts **(13)** and M8 Nuts **(12)**. **You have now just completed a section 1 frame piece.**

**Repeat steps 4-6 to assemble one more section 1 frame piece.**

# ASSEMBLY

## STEP 7

Attach two upper upright middle tubes with middle sockets **(5)** to an assembled top frame corner tube section as shown, secure with M8 Bolts **(13)** and M8 Nuts **(12)**.

## STEP 8

Attach two lower upright tubes **(4)** to upper upright middle tubes from step 7 as shown, secure with M8 Bolts **(13)** and M8 Nuts **(12)**.

## STEP 9

Attach two batting cage feet **(9)** to lower upright tubes from previous step as shown, secure with M8 Bolts **(13)** and M8 Nuts **(12)**. **You have now completed a section 2 frame piece**

**Repeat steps 7-9 to assemble one more section 2 frame piece.**

## section 2

## STEP 10

Insert the side connection tube end **(6)** into the side connection joint as shown.

# ASSEMBLY

## STEP 11

**7** Side connection  
tube middle (x1)

Insert the side connection tube middle **(7)** into the side connection tube end **(6)** from previous step as shown.

## STEP 12

**6** side connection  
tube end (x1)

Now insert another side connection tube end **(6)** into the side connection tube middle **(7)** you just attached as shown.

### STEP 13

**8** Side connection joint (x1)

Add another side connection joint **(8)** onto the side connection tube end**(6)** from last step as shown.

**You have now completed an attachment section.**

**Repeat steps 10-13 to assemble 5 more attachment sections.**

### STEP 14

Now insert the side connection joints **(8)** of two attachment sections into the sockets on either side of a section 1 frame and a section 2 frame as shown.

# ASSEMBLY

## STEP 15

Attach another section 2 frame to the previous section 2 frame using two more attachment sections as shown below.

## STEP 16

Now attach the remaining section 1 frame to the last section 2 frame using two more attachment sections.

## STEP 17

**17** Batting cage net 40 ft.  
(x1)

Open the batting cage net **(17)**, and find the metal net clips **(18)**, that are preinstalled on the top seam of the net. Attach the metal clip to the Eyebolts **(10)** in the corners of the section 1 frame piece as shown.

## STEP 18

**19** Elastic rope with  
ball (x1)

Now thread an elastic rope with ball **(19)** through the batting cage net near the middle of the section 1 frame piece and attach the net to the middle tube by wrapping the elastic rope around the tube and over the ball.

# ASSEMBLY

## STEP 19

Repeat steps 17-18 to attach the remaining metal clips and elastic rope with balls to each section frame piece.

## STEP 20

**14** upright ground stake (x16)

Insert the upright ground stake **(14)** through the batting cage feet and into the ground to secure the frame in place.

## STEP 21

That's it you're done! Congratulations, your batting cage has been fully assembled. *(See, we knew you could do it!)* If you love the product, we want to hear from you! Please leave us a review on the retailer's site you purchased this product from, on our Facebook page, or on any other review site. We'd really appreciate it. If we could, we'd give you a gold star.

Are you frustrated or have some suggestions? Contact us directly. We promise we're not trying to ruin your life. We will do everything we can to make it right. See contact info on page 2-3.

# LIMITED WARRANTY

---

Skywalker Holdings, LLC warrants its products to be free from defects in material and workmanship under normal use and service conditions. **The steel frame is warranted for three (3) years after the date of purchase. All other parts are warranted for one (1) year after the date of purchase.** Warranty coverage extends only to the original retail purchaser from the date of original purchase. This warranty is only valid concerning products used for residential use. Products used for commercial use, such as schools and daycares, will not be covered.

**Weather Damage:** The warranty does not cover damage due to the effects or acts of nature, such as earthquakes, wind, hurricanes, tornadoes, lightening, rain, fire, snow, excessive heat and cold conditions and/or sun damage. During the winter months the soft materials will need to be removed and stored in a dry place out of the snow. If left unprotected in the winter months, some components may become damaged, voiding this warranty.

**Fading and Rust:** Our products are fully galvanized and/or powder-coated. We do not warrant against rust or corrosion. Some areas may have higher air salt content, higher humidity, heavier rain and heavier snow. We do not warrant against fading. We suggests customers use a UV protectant to extend the life of the product.

**Loss or damage to Product:** caused by shipping, abuse, misuse, improper/abnormal usage or unauthorized repairs are not covered by this warranty and may also void the warranty.

**Unauthorized Replacement Parts:** The warranty will become void if any defects or damages are associated with the use of unauthorized replacement parts. All replacement parts must be obtained from an authorized retailer.

**Assembly Service:** The warranty does not cover acts or omissions provided by a third-party assembly service. It is the customer's responsibility to check all boxes and confirm all components are included and in their proper condition before installation occurs.

## INSPECTION AND REPLACEMENT PARTS:

1. Your product should be inspected upon unpacking and set up and thereafter on a regular basis. Worn, damaged or broken parts should be replaced immediately and before each use.
2. Call the Skywalker Holdings Customer Service Department at 1-866-603-5867 to file a warranty claim. Be prepared to provide the following information: name, shipping address, a copy of your original sales receipt, a brief description of the problem and cause, product model number and serial number. We may also ask for photos of the damaged/defective parts.
3. Customer service will review your claim and contact you with further instruction.

**NOTE:** All requested information must be provided in order to review your warranty claim.

To order replacement parts for your product please visit [www.skywalkertrampolines.com](http://www.skywalkertrampolines.com)

Skywalker Holdings, LLC, PO Box 574, Brigham City, UT 84302 USA.

Printed in China © 2019 Skywalker Holdings, LLC

**NOTE:** Skywalker Holdings, LLC is not responsible or liable for indirect, special or consequential damages arising out of or in connection with the use or performance of the product or other damages with respect to any economic loss, loss of property, loss of revenue or profits, loss of enjoyment or use, cost of removal, installation or other consequential damages. Some states do not allow the exclusion or limitation of incidental or consequential damages. Accordingly, the above limitation may not apply to you.

The warranty extended hereunder is in lieu of all other warranties and any implied warranty of merchantability or fitness for a particular purpose is limited in its scope and duration to the terms set forth herein. Some states or countries do not allow limitations on how long an implied warranty lasts. Accordingly, the above limitation may not apply to you. This warranty gives you specific legal rights. You may also have other rights which vary state to state or country to country.

This warranty is valid only in the country the product was purchased.
