Dear 

We are so grateful for your gift. With your \$1,500.00 donation, you made double\* the impact with Air Canada for those who need it most in Canada and around the world,

*A note for RWGFY charity project:*

*A \$1500 donation was made through a program that is a partnership between Air Canada and the Government of Canada, doubling the total donation to \$3000.*

**Thank you again for your support.**

### LEARN MORE ABOUT YOUR IMPACT

Each year, Canadian Red Cross teams respond to thousands of disasters and emergencies here at home and around the world. We're there when fires destroy homes. We're there when floods sweep through neighbourhoods. We're there when health crises burden communities.
