SFW221
Studio Soft - Full Sole Leather Ballet Shoe

SOFT DURABLE LEATHER

- Made of lambskin, the soft and durable leather allows feet to point and flex with ease.

SUEDE FULL SOLES

- Highly recommended for beginners, the full sole creates a resistance for the dancer to build strength in their feet.

FORM-FITTING

- Hugs the foot nicely and covers bunions.
- Elastic drawstrings to adjust the upper to the foot for a good fit.

READY TO WEAR

- Pre-sewn elastics, no additional sewing required.

COMFORTABLE

- Soft elastics and finishing that does not cut into the feet. Cotton lining.

Made in India.

SFW191
Stretch Form II - Split Sole Stretch Canvas Ballet Shoe

NEW AND IMPROVED

1. Improved supportive heel that gives better form to your foot when pointed.
2. Added shock absorbing cushioning, to reduce impact on the feet when dancing.
3. Salmon Pink colour to match skin colour and tights better. (Model is wearing Salmon Pink Tights)

STRETCH CANVAS

- 4-way stretch canvas that allows your shoes and feet to move together comfortably, like a second skin
- Conforms to the shape of your feet, and giving them an effortlessly smooth and sleek fit
- Durable yet supple canvas, for long-lasting wear

SUEDE SPLIT SOLES

- Shaped to ensure the best balance and comfort, especially on demi-pointe
- Dance and glide effortlessly

PRE-SEWN CROSS ELASTICS

- Ready-to-wear, no additional sewing required
- Criss-cross soft and strong elastics for a snug fit

MIDDLE SOLE ELASTIC

- Contracts and expands as you point and flex your feet, to maintain the perfect fit
- Highlights the arch of your feet, as it is designed to reduce the bulk in the arch

The vinyl floor mat uses 100% pure PVC raw materials. The PVC material has been tested and certified for its non-toxic and anti-bacteria attributes, which ensures the safety of the studio space and its users.
2. **Best shock-absorption and Impact-resistant**
Advance foaming technology is used to produce a high-density foam shock absorption layer in the PVC vinyl floor mats that allows for very strong absorption of shock and impact which greatly reduces injuries to the body.
3. **Excellent slip-prevention and wear-resistant**
Special treatment coating is used on the surface of the PVC flooring to ensure the high-quality wear-resistant feature. This guarantees the best performance use for all types of dance and movements.
4. **Excellent Stability**
Made using a one-off scrape technique, the 100% pure PVC raw material comprises a hermetic stable layer and fiberglass layer that safeguards the flooring mat to ensure that it is more resistant to damage, thus, allowing it to have a longer lifespan.
5. **Anti-bacterial and Fire Retardant Performance**
The vinyl floor mats contain elements of anti-bacterial and fire retardant substance that makes it difficult for bacteria and germs to breed on the floor as well as reduce the flammability of fuels due to fire accidents.
6. **Easy to Install and Maintain**
Installation of the vinyl floor mats has the option to be removable or a fixed installation, which is done either by taping or welding. And due to the material, the cleaning of the vinyl floor mats is easy, which keeps the cost of maintenance low. For normal daily cleaning, dirt can be clean using a broom or a wet mop. For heavier and deeper cleaning, such as stains, dirt should be removed using a PH neutral cleaner that does not contain ammonia or abrasives.
