

Micro Loop Hair Extensions

Micro Loop Ring Hair Extensions are similar to stick tip hair extensions that is made of 100% human hair that are applied using micro ring system. Micro loop extensions are different as you would only need a professional hair extension plier to apply them. No other tools are needed. Micro Loop Hair Extensions have the Micro Loop and Micro ring attached already making it easier to apply, which saves time and money. In effect, this system does not require any heat, glue, keratin bonding or sewing and does not damage your hair.

Our micro-loop ranges comes available in 4 different lengths from 14 inches to 22 inches with a blend of 20 colour tones to choose from.
