## ACTIVITY 1 AUTUMN LEAF ART!

All you need to do is grab a piece of paper, a few colouring pencils and some glue.

Next, its time to go on a leaf hunt! Collect as many coloured leaves as you can find (the more colourful the better) and glue them to the page in your unique design!

Wait for the glue to dry, and there you have it! Beautiful leaf art!

**Here are some examples of what other kids have done:**
