

SIX SIGMA YELLOW BELT CERTIFICATION CSSYB

WHO SHOULD CERTIFY?

The Six Sigma Yellow Belt certification is aimed at those new to the world of Six Sigma who have a small role, interest, or need to develop foundational knowledge. Yellow belts can be entry level employees who seek to improve their world or executive champions who require an overview of Six Sigma and define, measure, analyze, improve and control model (DMAIC).

This certification adopts the approach of advancing the concept and potential of using Six Sigma tools and methodologies within an organization.
