Autumn/  
Winter 2022  
Collection

The new season brings a series of exciting developments centred around innovation. A culmination of months of work by our design and engineering teams, it is an evolution of our founding vision. A collection that embraces where classic meets contemporary, with aesthetics that are influenced by considered architectural details.

---

**IT** La nuova stagione porta con sé una serie di entusiasmanti novità incentrate sull'innovazione. È il risultato di mesi di lavoro e impegno dei nostri team che si occupano del design e della progettazione, è l'evoluzione della nostra visione strategica. Si tratta di una collezione dove lo stile classico incontra un'estetica contemporanea, con l'influenza di dettagli architettonici di rilievo.

**FR** La nouvelle saison apporte avec elle une série d'évolutions passionnantes axées sur l'innovation. Point d'orgue de nombreux mois de travail de nos équipes conception et ingénierie, il s'agit d'une évolution de notre vision fondatrice. Une collection qui allie classique et contemporain ainsi qu'une esthétique qu'influencent des détails architecturaux réfléchis.

**DE** Die neue Saison bringt eine Reihe aufregender Entwicklungen rund um das Thema Innovation mit sich. Sie ist das Ergebnis monatelanger Arbeit unserer Design- und Entwicklungsteams und stellt eine Weiterentwicklung unserer Gründungsvision dar. Eine Kollektion, in der Klassik auf Moderne trifft und deren Ästhetik von gut durchdachten architektonischen Details beeinflusst wird.
