SPARKLING RANGE

HOW WE CRAFT OUR SPARKLING WINES

Hand-picked and made entirely on-site in our winery, making our sparkling wines is a long process – 3 to 4 years. Using the traditional method (known as Méthode Traditionelle) to craft our sparklings, we first make the base wine (similar to any of our still white wines), before bottling it for the secondary fermentation (tirage).

We then allow our wines to age on the yeast lees for up to 36 months before we disgorge, add the dosage and place a cork in the bottle. It is then aged further in the bottle before release. Each step of the winemaking, including riddling and disgorging is completed by hand for you to enjoy as part of your next celebration.

Palate: Dry, round and fresh, strawberries and cream continued through, spice notes, balance of savoury and fruit.

An approachable wine, intended to be drunk young and fresh.

RED WINES

PINOT NOIR

EDENESQUE RANGE

2023 EDENESQUE PINOT NOIR

\$30

100% Pinot Noir, blend of fruit from Siwa vineyard (Wonga Park) and Willowlake vineyard (Gladysdale, Upper Yarra). The nose bursts with complexity and freshness. Classic Pinot notes of forest floor, notes of kirsch, raspberry and fresh strawberry. Spice notes provide framework to these fruit tones along with subtle mahogany oak notes..

The palate shows the fresh red fruit tones and give rise to sweeter notes of rhubarb and Davidson plum. Savoury notes give further depth to the wine. Lacy tannins and soft, well integrated acid hold the wine in check, giving vitality and freshness to the wine.
