Restore and Colorize

\$2 per minute.

Minimum of 10 minutes per image.

Estimates for these services can only be given upon seeing each photo.

Time can range from 10 minutes to 1 hour to 10 hours and beyond. As each photo is unique, so are their restoration or colorization needs. Custom options can be given to work within your budget.

These services address a variety of needs:

Digital Enhancement

Modification

Color Correction

Color Restoration

Damage Restoration

Retouching

Colorizing Black and White

Image + Text Formatting

Print

All archival prints on Hanemühle, Moab, or Red River Papers.
You can submit your sized, ready-to-print files or opt to print files from media digitized for you.
If you submit files that require size, color, or any file adjustments,
a fee will be added to your order. Special paper orders can be arranged.

Archive Consultation

This Zoom oriented service enables Jenn to have eyes on your project and better guide you to your goals. You also have the option to ship and let her do the work. For those in Western Washington, arrangements for in person consultation can be made.

| 30 minute- Zoom Consultation | \$60 |
|------------------------------|-------|
| 45 minute- Zoom Consultation | \$100 |

Essential Archiving Package \$500

Includes 3 45 minute zoom meetings.

1st week - initial zoom introduction and consultation.

2nd week - goal and materials assessment session.

3rd week - goal and materials implementation session.

Materials Ordering Service

Add-on to any of the above, basic materials* supplied to you.

Or let Jenn do the hands-on work for you:

| Signature Transparency Package | \$1200 |
|--------------------------------|--------|
| Signature Photograph Package | \$1200 |
| Signature Preservation Package | \$1800 |

Preservation includes both transparencies and photographs.

Each Signature Package includes 2 zoom meetings and basic materials*:

Introductory 45 minute zoom meeting and assessment.

Ship your originals to Jenn.

Two-three weeks later you will receive them back, stored safely.

Followup 30 minute zoom meeting to take you on a tour of your archived items.

Add Digitizing Service to Your Signature Package

Quote given upon item and quantity evaluation.

Bespoke Packages Available

Must have Zoom Consultation first.

\$400

^{*} Basic materials means basic archival sleeves, boxes, and/or safe binders. You may choose to upgrade to custom materials, but will incur fees to reflect the cost of the items.

If size of your project exceeds 2 boxes or binders, materials cost may increase.

Art Documentation & Reproduction

Drawings and Paintings

Includes 1 full + 1 detail shot. You will receive color corrected and cropped Tif + Jpg files. If you intend to make prints of your work, a proof is highly recommended at the time of service.

Gallery Installation

Quote based upon size and quantity of work, complexity of installation, and space.

Includes 1 full + 1 detail shot per piece, and 4 installation shots.

Minimum 4 hour commitment.

Quotes for larger artwork than listed above, available upon inquiry.

Depending on the material of your work, location, and logistics of space, prices may vary.

Some things to consider:

Turnaround times vary from project to project.

This depends on the order size, quantity, restoration or colorization time.

A general goal is to complete most work within a week of order.

Jenn typically will address this upon receipt of your order, but feel free to ask if you have any deadlines or concerns.

Memorials and celebrations of life are always prioritized.

Rush orders will incur a fee based upon the total cost of your order.

Though prices are subject to change at any time, all agreed upon estimates will be honored.

Deposits are required prior to working on your order.

Sliding scale pricing available on a limited basis for:

Those whose photographs suffered natural disasters. Veterans and Active Duty Service Members Civil Rights Organizations
