Due to its use, muscles both increase in size and get fuller. Besides, Test C enhances athletic performance, which allows a consumer to exercise longer and harder. Also, its use increases sexual desire and durability.

5 Alpha contains natural compounds designed to increase testosterone and drastically boost MPS (Muscle Protein Synthesis). The plant based anabolic agent, Laxogenin, is a naturally occurring steroidal sapogenin that has the unique ability to increase MPS by up to 200% ?? Just kill your protein intake and you'll be huge in no time..
