# SET English

SET English are an online English language training provider, based in Manchester, United Kingdom.

We are OET Premium Providers and OET All Star contributors. Since 2018, our training, testing and reporting systems have helped to deliver 100s of students to successful test outcomes, and ultimately to the careers they are seeking in English-speaking countries around the world.

SET English understands the challenges that healthcare professionals have in terms of schedule and opportunity to train, and we understand the obstacles that this poses to successfully moving onto the next step in your career.

This is why we have created an intensive yet flexible approach to English language training built on excellent teaching, personal feedback and top quality educational resources, all available online, 24 hours a day. Read more details about how to achieve your targets.....

# How do I Study OET?

## What is OET?

Watch the SET English video course to learn everything about OET and what the four main sections include.

## Learn Strategy

Watch SET videos and come to live classes to learn the most useful strategies and methodologies for each section of OET

## Develop Skills

Come to SET Live classes and watch catch up videos to learn the vocabulary, grammar, and specific skills that are necessary to score well in OET.

## Practice the Test

Come to live classes and watch catch up videos to prepare, answer and analyse questions in each section. Submit homework and work with colleagues. Ask the teacher your questions.

## Evaluate

Submit writing / Sit mock tests - and get detailed feedback from OET Premium Providers. Then you can decide when you are ready for the test.

# SET Intensive System

## Onboarding

Students are registered on the SET English study portal and join the enrolment pipeline immediately. Access to the OET video courses and live classes is very quickly organised.

## Live Classes

SET English provides 20 hours per week of live classes, covering subtest practice & strategy, language and grammar daily. As OET All Star Premium Providers, live classes are insightful, flexible and engaging. Like a physical classroom, you can work with colleagues and ask the teachers your questions.

## Video Materials

Healthcare professionals have many priorities and inflexible working patterns. At SET we record EVERY live session for catch up. In addition we have comprehensive video courses for all 4 sub-tests and test sections.

## Assessment & Materials

It's vital to ensure that study aims and expectations are focussed and achievable. Writing corrections and live mock tests will give students clear feedback on performance and test readiness. Plus, with a wide range of official OET materials, students can do their own practice at home.

# Studying at SET English

Studying at SET English is fun, flexible and comprehensive. Every week we offer 20 hours of live classes, covering each subtest in detail. We provide fresh materials and expert guidance, testing and analysis of texts and questions in our live sessions. If you miss a class you can catch up with recorded sessions. Here is a typical weekly schedule at SET English:

- All classes are live and interactive
- All classes recorded for catch up
- Study materials provided for classes
- Comprehensive video courses in all subtests

# Helping Health Professionals Achieve Their Goals

"I wholeheartedly recommend the SET school that prepared me for the OET exam. Their dedicated instructors, comprehensive study materials, and practical approach through mock exams were invaluable in boosting my confidence and understanding of the exam. The support from the staff created a positive learning environment, making me feel well-prepared and self-assured on exam day. If you're aiming to excel in the OET, this school is the perfect choice."

– Maria, Midwife

"I have passed my OET exam . I have studied oet course with different sites, however i did not find same like SET, with all the techniques that they provide us for all subtext of the exam. I want to thanks Paul and Alain for all support and guidance,you are the best teachers ever. I wish all the best and I always recommend SET for oet to all my friends.."

– Fatima, Doctor

I recently completed the Set English online course to prepare for my OET exam, and I must say it exceeded all my expectations. The live classes were a game-changer, providing a dynamic and interactive learning environment that kept me engaged throughout the entire course. The instructors were highly knowledgeable and proficient in OET strategies, offering personalized feedback that significantly improved my language skills. I credit my success in the OET exam to Set English's outstanding online course. Set English is the key to unlocking your success in the OET exam

– Visarda, Doctor

"I decided to choose SET after some research and I was definitely happy with my choice. Paul and Alain made the classes very interactive and educational. The platform have a lot of material for self-learning. I did 3 weeks of intensive study and passed the OET. Thank you again SET, I really recommend their services.."

– Adriano, Pharmacist
