OET PREPARATION ONLINE

# Breakdown

## OET PREPARATION 2022

### I. Flexibility

SET English provides courses for full-time and part-time students. We understand that students have commitments and challenges when it comes to studying. As a result, we have created a Study Platform that caters to all styles of engagement.

### II. Services

SET English provide a full and varied live class schedule 5 days a week. Every class is recorded and stored in our unique Study Portal. In addition, many of our educational programmes contain detailed writing assessments with corrections, feedback and estimated grades, as well as full 3-hour mock test experiences.

### III. Learning

SET English are official providers of English language education, with a background in English language provision in the recruitment sector. As OET Allstars, the quality of training has been recognised by the official OET exam board. With a pass rate of 92%\* we offer specialist OET training that can get professionals through their exams, and settled into English-speaking workplaces.

### IV. Community

SET English provides a positive school community for all students. We have a thriving social forum in which students help each other and, uniquely, SET English mentors are personally connected to every student and are happy to answer any questions, and to provide guidance and advice.

\* Based on recruitment program: 92 percent of students attending in line with project expectations passed within 6 months

## SET English courses are *accessible*

SET English use a central online Study Portal and ZOOM for live classes. Students can access classes and resources, and contact mentors using mobile phones, laptops, PCs and iPads. All students are welcomed in via a simple onboarding process and contacted personally.

## SET English courses are *successful*

We value the feedback of students and we're happy to say it is overwhelmingly positive! Success is passing exams but also providing a positive learning experience for all of our students.

"I cannot be more grateful after passing my OET exam. With the community support that I found here at SET English, I was able not only to improve my English but also pass the exam. The mentors are patient and supportive. They help the students build their knowledge, confidence and their ability to succeed in OET"
