Products with Purpose.

Your guide to sustainable gifts.

Garments for Good

Sublimated Recycled RPET Reversible Bucket Hat

Made with eco-friendly recycled material with crisp sublimation on both the inside and outside, your brand will be sure to get noticed. This fun, reversible hat is perfect for warm weather events and parties.

Puma Golf Men's Volition Camo Cover Quarter-Zip

Made from Bluesign certified 92% polyester recycled and 8% elastane, this moisture-wicking performance is UV resistant with 50+ UPF and delivers an ultra-soft feel.

It's All Good

Less Polluting - Organic cotton doesn't damage soil and has less impact on air quality.

Preserves Water - Organic Cotton uses 71% less water and 62% less energy.

Safer for Farmers - Farmers and families aren't exposed to toxic chemicals in the field or through their food and water supply.

Less Toxic Dyes - Avoid the use of all hazardous chemicals and use only AZO-free and low-impact dyes.

The Fair Hoodie

An ethically-made hoodie does exist! A sleek twist on your kangaroo pocket shape, featuring a modern and minimalist look. The mid-weight fleece fabric is soft, sustainable and brushed inside, making this hoodie luxuriously smooth and warm for those cold days. Made from Certified Organic Cotton and eco-friendly dye certified by GOTS.

DTG Dress Socks

Direct-to-garment printing allows you to customize your pair of dress socks with full-color printing that wraps all the way around the sock, for a 360 degree opportunity to showcase your unique branding. Made from recycled plastic, these socks are comfortable and eco-friendly!

Allmade® Women's Relaxed Tri-Blend Scoop Neck Tee

Feel your impact in this crazy-soft sustainable tee that has had its total carbon footprint neutralized through Carbonfree® certification and uses an equivalent of up to 6 recycled plastic water bottles.

Recycled PET Cap

Repreve® textiles are made from recycled plastic bottles woven into polyester textile.

tentree TreeBlend Astir Mens's Polo

The Men's tentree® TreeBlend Astir Polo is as comfy as it is sustainable. Whether you're heading to the office, playing a round of golf or meeting friends for dinner, this versatile polo will be your new go-to.

tentree makes Earth-First essentials using TENCEL™ fiber, organic cotton and recycled polyester - some of the most sustainable and comfortable materials. Every time you purchase a tentree item, they plants 10 trees.

Front Runner Vest

Nothing's going to slow you down. The Eco-Insulated Quilted Vest gives you warmth without the bulk. It's eco-friendly, water-resistant, windproof and seriously soft.

The Slip On

Steal the show in these 100% custom printed shoes mad with recycled material. Any logo or design will make these shoes a great way to promote a brand.

Pack It Up

The Beach Tote

Lightweight and packable, the beach tote is perfect for the pool, beach and travel. This beach tote is made of recycled polyester and can be completely customized on the outside. The interior of the tote is very spacious for storage and has pockets to keep you organized. Shoes not included.

Flip-Top Cooler Backpack

The Renew Flip-Top Cooler Backpack keeps everything chill whether it's long days at the beach, Sundays at the park or a backyard bash! With an exterior material made from 100% recycled water bottles, this beauty holds 28 cans or 5 wine bottles.

1% of sales from the Nomad Must Haves Renew collection will be donated to a non-profit organization that has undertaken an ocean cleanup program. They have set out to remove 90% of floating ocean plastic.

Recycled Canvas Fanny Pack

With full-color printing all over the entire bag and the option for retail-style printed lining, this functional fanny pack can be customized to fit any occasion and any style. The high-quality RPET canvas, made with up to 6 water bottles' worth of recycled plastic, means you get to go green while sporting the latest retail trends!

Through a partnership with 1% For The Planet, one percent of sales of all EcoSmart® products are donated to environmental nonprofits.

Essentials Recycled Insulated Sling

Made from RPET, this trendy, recycled sling offers style and convenience. The main zippered compartment is insulated to take temperature-sensitive items on-the-go with ease.

Lincoln Recycled Dye-Sublimated Felt Amenities Pouch

Pockets are for daily essentials. Pouches are for the things that suddenly become essential at critical moments in life. The felt used to craft this item is sustainably made and produced from recycled plastic bottles.

Cotopaxi creates sustainably designed outdoor gear that fuels both adventure and global change by dedicating a percentage of their revenues to nonprofits working to improve the human condition.

Cotopaxi Bataan Hip Pack

One-of-a-kind. Every pack is a unique color combination. Be prepared for a total surprise! Made from 100% repurposed, lightweight, remnant nylon fabric - this pack will keep your necessities secure, organized and at-the-ready when you need them most.

Recycled Canvas Duffel Bag

A retail-quality gift that is both eco-friendly and fully customizable! The durable RPET canvas, made with up to 30 water bottles' worth of recycled plastic, means you get to go green while bringing your brand to life.

Solo NY® Packable Backpack

Ultra-lightweight and ideal for traveling, this bag can fit in your hand when packed but expands to a full-sized backpack when unfolded. Grab this bag for your next hiking or camping trip.

The Traveler

Start living for the weekend with the eco-friendly Traveler Bag. Perfect for a weekend getaway or an impromptu adventure, this oversized travel bag made with rPET can fit all you need for wherever life takes you.

Partnering with the National Forest Foundation, one tree will be planted for the sale of each RE:CYCLED COLLECTION bag.

Sip Different

Thor 40 oz Eco-Friendly Straw Tumbler

The Thor has a 40 oz capacity which means fewer refills. Made from 100% Recycled AS Plastic, this tumbler will ensure you stay hydrated all day!

Purchase of this water bottle proudly helps support NAEIR - an organization that redistributes tens of millions of dollars in donated products every year to over 30,000 schools, teachers, churches and nonprofit organizations.

HIP® 20 oz Suga Bottle

This HIP® bottle is made from sugarcane stalks that would otherwise be discarded, making it 99.7% recycled. Give life to products that are created from existing waste, instead of producing new plastic from fossil fuels.

Every MiiR product sold helps fund transparent giving projects. MiiR gives at least 1% of revenue to nonprofit organizations whose work empowers communities while benefiting the health of their natural environments.

MiiR® TruEnamel™ Camp Cup

TruEnamel™ coating process brings first-of-its-kind innovation with a familiar feeling that does not absorb flavors - ideal for coffee or tea drinkers, won't sweat or be hot to touch no matter the temperature of your drink. Ships in a recycled kraft gift box.

EcoVessel® Boulder 20 oz Vacuum Insulated Water Bottle

The drinking spout features a soft silicone lip for a comfortable drinking experience and the removable steel strainer inside the bottle is good for tea leaves, fruit and ice cubes. This bottle also comes with a removable protective silicone base cap to prevent scratches on the bottle and tabletops. Ideal for daily use in all seasons.

Through their partnership with 1% for the Planet, EcoVessel donates a minimum of 1% of all sales to various environmental nonprofits.

A portion of all proceeds from the Perka®, Work® and iCOOL® collections is donated to Shelter to Soldier, a non-profit organization that rescues dogs to train as service animals for veterans in need.

Fill it Forward reusable products include tags, bottles, cups and bags designed to eliminate single-use waste.

Scan the Fill it Forward Tag everytime you reuse. Each scan contributed to the completion of a charitable project.

Charities receive funding to build impactful infrastructure, including WaterAid, Charity: Water, DIGDEEP, Water First, Wine to Water, Second Harvest and One Tree Planted.

Perka® Kerstin 16 oz Stainless Steel Mug

Appealing to outdoor and indoor lovers alike, the molded cork base protects desktops from scratches and provides an earthy look for camping. Its curved handle is comfortable to hold and makes this mug a go to!

Cuppanion Bottle

The reusable Cuppanion Bottle is made of durable Tritan and manufactured sustainably in New York. Reuse it 2x to offset carbon emissions generated in production.

Temblor Speaker + Wireless Charger

Shock the room with the power of the bamboo Temblor speaker and charger combo. Using your phone and blasting tunes? No problem. When plugged in, the top of the Temblor can be used as a wireless charging pad.

EcoSpot

This version of the Spot is made from a blend of post consumer recycled plastic and biodegradable materials, including wheat straw. Once the EcoSpot is attached to an important item, like keys, it can be paired to the supporting app on a phone. The app helps find the EcoSpot and the item it's connected to.

When you purchase the EcoSpot, your order will help reforestation efforts in North America. One tree is planted for every order.

Bamboo Powerbank and Wireless Charger

Power-up your branding with this fast-charging powerbank that doubles as a wireless charger. Made of renewable eco-friendly bamboo, this charger is sure to boost your sustainability game.

Tech Planet

Logan Recycled Dye-Sublimated Felt Cord Keeper

Keep your tech on-point whether you're spending a day in the office or on a plane headed for the next adventure. No more complaints of tangles. The felt used is sustainably made and produced from recycled plastic bottles.

Ashford 10W RPET & Cork Wireless Charging Pad

No need to fumble with phone charging cords. The compact and modern design will blend into your lifestyle seamlessly. The charger has a heather gray cover made of recycled PET water bottles and a non-slip charging pad made with natural cork. It has a 1-meter power cord that is also covered with natural cork.

Bamboo Qi Charging Wireless Speaker

This stylish bluetooth speaker features both a wireless charger and phone stand. Built with LED lights on the underside and a real bamboo exterior, this deluxe design matches the advanced charging specs and crystal clear sound.

Grayson 5W RPET & Cork Wireless Speaker

Enjoy your favorite music in style with the Grayson Wireless Speaker. Its heathered gray fabric is made of recycled water bottles and natural cork trim to give it an earthy appearance creating a modern and premium design that looks great in the home or the workplace.

Bamboo Universal Charging Cable

Jumpstart your sustainability goals with an eco-friendly 3-in-1 charging cable made from wheat straw plastic and bamboo.

Pop Grip Plant

This PopGrip is a plant-based environmentally friendly choice. Made with 35% plant-based materials to reduce emissions. It offers a secure grip so you can text with one hand, take better photos and videos hands-free.

Eco Market

Round Paddle Acacia Cheese Board

This board blends gorgeous, high-quality Acacia hardwood and an eco-friendly epoxy, from recycled bio products to create a handmade, one-of-a-kind piece of serveware for home or office. These cheese boards are perfect for serving a group of 4-5 people. Great gift for employee or client recognition.

Kraft Paper Retro Brown Bag Luncher

"Brown bag it" in style with this bag made with 50% recycled kraft paper laminated onto non-woven polypropylene with a silver foam insulated main compartment. Did lunch spill? Don't fret - the inside of the bag easily wipes clean with a damp cloth.

Cotton Market Tote Bag

This tote bag is biodegradable making it a perfect eco-friendly choice for your brand. Take it your next grocery store outing or to the beach. Spot clean and air dry with ease.

A percentage of proceeds are donated to PADI® Aware, which helps rid our oceans of harmful debris.

Bamboo Organic Bento Lunch Box

Spread eco-friendly awareness even during lunch. This bamboo lunchbox has a sleek and sturdy design. Includes a silicone band to keep the lid secure. Great for meals on the go, healthy meal prep and snack packing.

FairTrade Dark Chocolate Almonds in Compostable Kraft Pouch

Sustainability can also be delicious! These ethically sourced, FairTrade 2.5 oz dark chocolate almonds are packaged in compostable kraft pouch.

Bio-Liiv Produce Mesh Tote

This amazing 3-in-1 tote allows you to transport, wash and then hang dry your fresh produce, all without removing them from the bag. Made with 20% recycled plastic

Chun Glass & Bamboo Storage Container

Get your branding off to a solid start with this versatile storage container. You'll want multiple jars to keep all your favorites handy. The bamboo lid has a silicone ring for a tight fit and the borosilicate glass will not crack under extreme temperature changes.

Wheat Straw Box Set

Make your brand more visible. This wheat straw box set is a buildable, reusable item comes in three parts that screw together and can be assembled in seconds. Perfect for travel and throwing in your purse, sports bag, glove box or even your pocket.

Take Along Reusable Utensil Set with Travel Case

A natural solution to replace disposable plastic flatware with reusable bamboo. Includes bamboo spoon, fork, knife and drinking straw for a complete dining set. Bamboo utensils are lightweight yet strong and perfect for eating on the go.

Write It Down

Seed Paper Journal

Your full-color, custom message is printed directly on premium seed paper with earth-friendly inks that won't damage the seeds. Our seed paper is made by hand from 100%-recycled material and embedded with a hardy mixture of wildflower seeds. Just, water and enjoy your wildflowers!

Premium Seeded Paper Greeting Card

This handcrafted premium seed paper card is made from 100% recycled material and embedded with a variety of messages and graphics using earth-friendly ink. Plant the greeting card and watch as it grows.

Reborn Recycled Aluminum Pen

This stylish pen has a sleek, modern look and includes a barrel made with recycled aluminum, accented by a renewable bamboo plunger, gunmetal stainless steel clip and clear RPET recycled plastic surround. Features a recycled symbol on the barrel, opposite from the clip, to highlight its innovative recycled aluminum design.

With each purchase, you help change a student's life forever. A portion of the proceeds help fund schools and other initiatives that enhance the education experience of thousands in Mali, Guatemala, Laos, Ghana, Nicaragua, and the U.S.

Kraft Layflat Notebook

This item is bound with 100% recycled, eco-friendly kraft paper. It is designed to compliment any modern desktop and is even durable enough for a lifestyle on the trail.

Rocketbook Infinity Core Executive Notebook Set

Features an exclusive recycled polypropylene cover and 36 pages. The synthetic paper allows you to write smoothly with a Pilot FriXion pen. Use the Rocketbook app to blast your notes, plans, lists and big ideas to the cloud for proper organization. Then, magically erase and reuse for your next adventure!

ClearPad Eco

The ClearPad Eco is a fun desktop product to doodle, take notes or display an inspirational quote. Use the supplied white, chalk marker to write on the clear acrylic pad and then it can easily be wiped clean with a tissue or cloth. Endlessly reusable!

The Great Outdoors

Slowtide® Throw Blanket

This sustainably-sourced, 100% cotton Turkish blanket is the perfect grab-and-go solution for any destination. It is pretty enough to use as a throw but practical enough to use as a beach blanket for you and a few friends.

Dri Duck Compact Field Chair

Be adventure ready. This ultra light field chair is made from 100% rPET polyester and aluminum. Everything compacts into a small, zippered pouch with carry handles for efficient on the go transportation.

Dri Duck Packable Duo Pet Dish

Don't let your pooch go hungry or thirsty when you're on the go. This packable, double-sided pet bowl is collapsible and is made for ultimate portability. Constructed from 100% rPET polyester.

La Cuisine Picnic Table & Carrier

A clever two-in-one custom picnic table and tote basket. Made from natural, renewable Acacia wood. This low profile table is the perfect place to set wine glasses, a bottle, a charcuterie or lunch for two. When folded, can be tucked into the "box" for easy carrying.

Refresh, Revive

Mini Wilson Line

Made of sturdy, lightweight fiberstone. This pot has been designed with a minimalist, chic aesthetic and will fit well into any interior space. These small plant options are great gifts and will be sure to add a beautiful touch to any desk.

Cork Yoga Mat

This eco-friendly cork mat is ideal for any yoga enthusiast. It has a comfortable, lush feel and features a nonslip backing. When you're done with your poses, the mat rolls up and fits neatly into the imprinted bag that includes a convenient carrying strap.

Bamboo Aromatic Oil Diffuser

This diffuser is extremely quiet and heat free. Ultrasonic diffusing is one of the best aromatherapy methods. Fill the inner chamber with water and add a few drops of essential oil to help you relax.
