Our products are designed to be used correctly and with care for the purpose for which they are intended. No liability is accepted by Sonic for incorrect use of any of our products, and Sonic cannot be held responsible for any damage to personnel, property or equipment when using the tools. Incorrect use will also invalidate the warranty.

If applicable, the applications database and any instructional information provided has been designed to offer general guidance for a particular tool's use and while all attention is given to the accuracy of the data no project should be attempted without referring first to the manufacturer's technical documentation (workshop or instruction manual) or the use of a recognised authority such as Autodata.

It is our policy to continually improve our products and thus we reserve the right to alter specifications and components without prior notice. It is the responsibility of the user to ensure the suitability of the tools and information prior to their use.

Instructions

Front Panel Guide Set
VW T5 Van

829103 - Front Panel Guide Set

Description:
829103 allows the user to space the front of the T5 van off away from the front of the vehicle without disconnecting all the front panel pipe work saving significant time and ensuring the panel does not fall so preventing damage.
Screw in place of main front panel mounting pins.
Supplied as a set of 4.
