TOASTED BAGELS WITH SMOKED SALMON

INGREDIENTS

- 3 bagels, sliced in half
- 1 cup chive cream cheese
- 8-16 oz cold-smoked salmon
- ½ red onion, thinly sliced
- ¼ cup capers, drained
- Chopped fresh dill and/or chives for serving

You'll see we offer a big range on the amount of smoked salmon in this recipe. The reason is simple, some folks like just a hint of it, while others like to pile it on. The choice is yours.

1. Place the bagels, cut side down on the flat wire rack and place the rack in the top rack position. (Do not put the broil/bake pan below the wire rack as it can inhibit browning.)
2. Set the Air Fryer + Oven to Bagel on Shade 4.
3. Spread toasted bagels with the cream cheese, then top with the salmon, red onion, and capers. Garnish with some chopped fresh dill and/or chives to taste and serve.

CINNAMON RAISIN BAGELS WITH YOGURT AND BERRIES

INGREDIENTS

- 3 cinnamon raisin bagels, cut in half
- 1 cup vanilla Greek yogurt
- ½ cup strawberries, sliced
- ½ cup blueberries
- ¼ cup blackberries, sliced in half if large
- 2 Tbsp honey

Switch up from your usual cream cheese routine with better-for-you, full-flavored yogurt. Its thinner texture balances crisp toasty bagels, and its tang pairs well with sweet, juicy berries.

1. Place the bagels, cut side down on the flat wire rack and place the rack in the top rack position in the Air Fryer + Oven. (Do not put the broil/bake pan below the wire rack as it can inhibit browning.)
2. Set the Control Panel to Bagel on Shade 4.
3. Spread toasted bagels with the yogurt, then top with the berries, drizzle with honey, and serve.

CRANBERRY ORANGE BREAKFAST BREAD

SPECIAL EQUIPMENT

- 9x3 loaf pan

INGREDIENTS

- Oil or butter, for greasing the pan
- 3 Tbsp turbinado sugar
- 1 tsp ground cinnamon
- 2 cups all-purpose flour
- $\frac{2}{3}$ cup granulated sugar
- 1 Tbsp finely grated orange zest (from about 2 oranges)
- 1 tsp baking powder
- $\frac{1}{2}$ tsp baking soda
- $\frac{1}{4}$ tsp kosher salt
- 1 cup buttermilk
- 4 Tbsp ($\frac{1}{4}$ cup) unsalted butter, melted and cooled
- 2 large eggs
- 1 tsp vanilla extract
- 1 cup dried cranberries
- $\frac{2}{3}$ cup chopped toasted walnuts

Start the morning right with a slice of this fragrant bread on its own or, better, topped with a little cream cheese. It has an irresistibly crunchy outer crust and a wonderful cinnamon-tinged aroma.

1. Grease the loaf pan. In a small bowl, combine the turbinado sugar and cinnamon and set aside.
2. In a medium bowl, whisk the flour, granulated sugar, zest, baking powder, baking soda, and salt.
3. In another medium bowl, whisk the buttermilk, butter, eggs, and vanilla.
4. Add the wet ingredients, cranberries, and walnuts to the dry ingredients, then gently fold to combine.
5. Scrape the batter into the prepared loaf pan.
6. Evenly sprinkle two-thirds of the cinnamon-sugar over the top of the bread, then use a spoon to gently swirl it into the batter. Sprinkle the remaining cinnamon-sugar evenly over the top.
7. Place the loaf pan on a wire rack in the bottom rack position of the Air Fryer + Oven.
8. Set to Bake at 350°F for 45 minutes. If the top is getting too brown before the time is up, cover with a piece of foil. When time ends, check to see that a knife inserted into the middle comes out clean. If not, bake for a few more minutes.
9. Transfer loaf pan to a cooling rack, run a knife around the inside edge to loosen, and let cool for 10 minutes. Invert the bread, remove the pan, then turn the bread right side up. Let cool for at least 45 minutes before slicing and serving.

8-12 BISCUITS

BUTTERMILK BISCUITS

SPECIAL EQUIPMENT

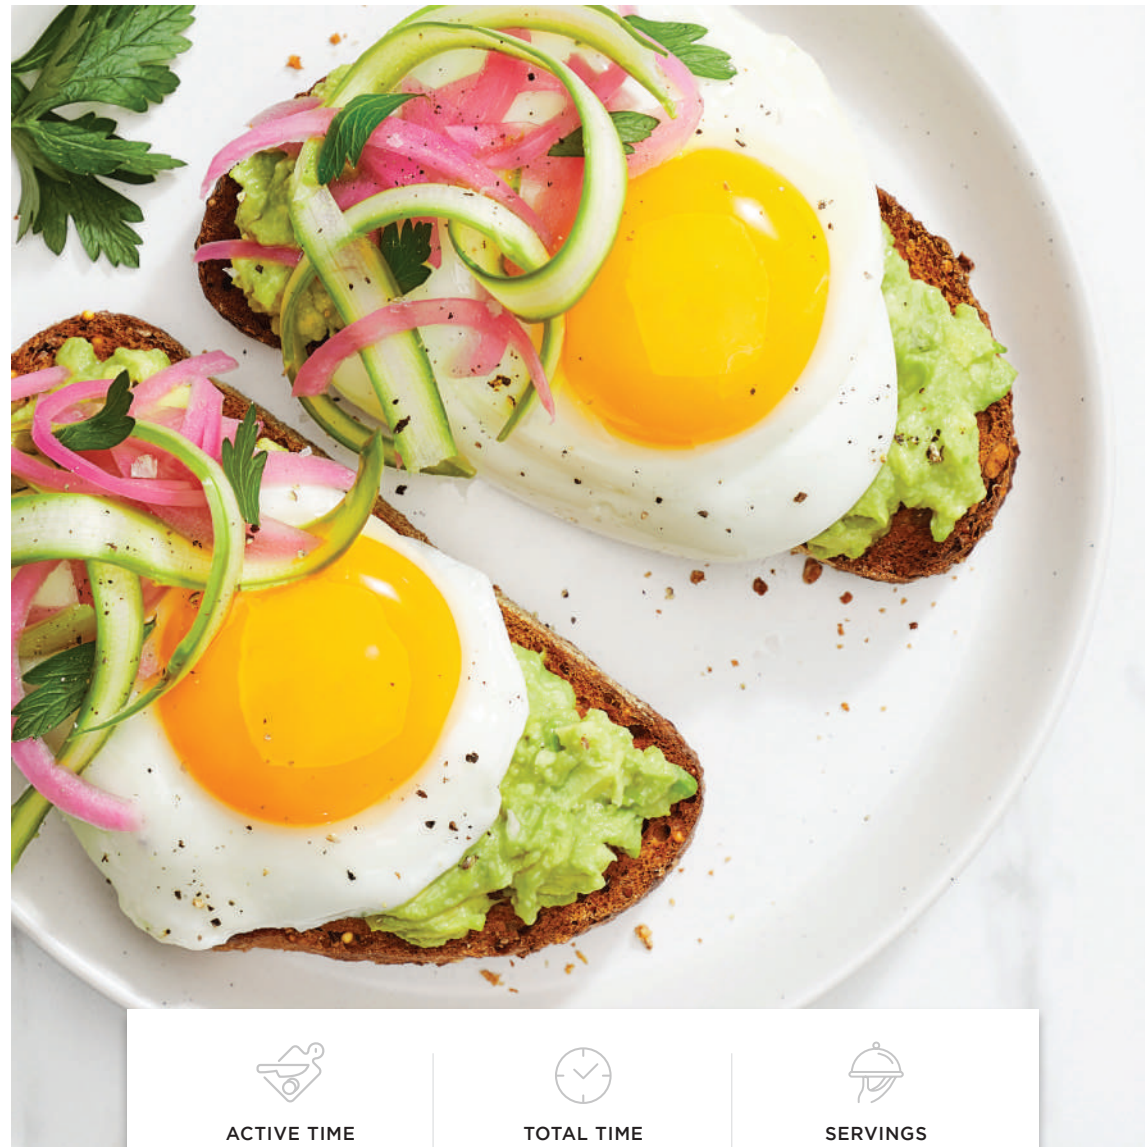

- Stand mixer with dough hook attachment
- 3-inch round biscuit or cookie cutter
- Pastry brush

INGREDIENTS

- 3 large eggs, divided
- 1½ cups buttermilk
- 2¼ cups all-purpose flour, plus more for rolling
- 2¼ cups bread flour
- ¼ cup granulated sugar
- 1 Tbsp plus ½ tsp kosher salt
- 4 Tbsp plus 1½ tsp baking powder
- 8 oz (1 cup) unsalted butter, cut into ½-inch cubes and chilled
- Flaky sea salt

Using very cold butter in the dough gives these beautiful biscuits their impressive height and light texture, so keep your butter cubes in the freezer while you measure the rest of the ingredients to keep them super chilled. Speaking of butter, these biscuits are pure heaven when topped with butter that's been whipped with a little honey.

1. Crack two of the eggs into a medium bowl. Add the buttermilk and whisk until combined.
2. In a stand mixer fitted with the dough hook attachment, combine both flours, sugar, salt, and baking powder. Mix on low speed for about 30 seconds.
3. Add the butter cubes to the flour mixture and mix on low until the butter is distributed and in small pea-size pieces.
4. Add the buttermilk mixture and mix on medium speed until the dough releases from the sides of the bowl and forms a ball, about 3 minutes.
5. Lightly flour a work surface. Gently roll the dough out to about 1 inch thick.
6. Line the broil/bake pan with parchment paper. Using a 3-inch cutter, cut out 8 biscuits. Place on the prepared pan with space between them. (These first biscuits will have the best shape and texture; however, you can gather up the dough, reroll it gently, and cut up to four more biscuits to bake separately.)
7. Beat the remaining egg and brush it on the tops of the biscuits. Sprinkle each biscuit with a pinch of flaky sea salt.
8. Slide the pan into the top rack position. Set the Air Fryer + Oven to Bake at 375°F for 12 minutes.
9. Bake until golden brown on top. Serve immediately.

AVOCADO TOAST WITH EGG, ASPARAGUS, AND PICKLED ONIONS

INGREDIENTS

- 2 ripe avocados
- 1 Tbsp fresh lime juice
- 1 tsp kosher salt, more to taste
- ½ tsp freshly ground black pepper, more to taste
- ¼ cup thinly sliced homemade or jarred pickled red onions
- 2 stalks asparagus, preferably thick, trimmed
- 2 Tbsp fresh parsley leaves
- 4 slices wholegrain or sourdough bread
- 2 Tbsp unsalted butter
- 4 large eggs

We've jazzed up avocado toast with tangy pickled onions and jammy fried eggs for a lunchtime (or breakfast) treat that's hard to beat.

1. Halve and pit the avocados. Using a spoon, scoop the flesh into a medium bowl. Add the lime juice, salt, and pepper, and mash with a fork to desired consistency.
2. Put the onions in a small bowl. Using a vegetable peeler, shave the asparagus into the bowl. Add the parsley and toss gently.
3. Place the slices of bread on the wire rack and slide it into the highest rack position.
4. Set the Air Fryer + Oven to Toast on Shade 5.
5. While the bread is toasting, heat the butter in a large nonstick skillet over medium heat. Crack the eggs into the skillet, cover with a lid, lower the heat to medium low, and cook until the whites are opaque and the yolk is still runny; or cook the eggs to your desired doneness.
6. Divide the avocado among the four slices of toast. Top each with an egg and then the asparagus and onion salad, being careful not to break the yolk. Season to taste with salt and pepper and serve.

HAM, BRIE, AND FIG TARTINE

INGREDIENTS

- 4 slices (about ½ inch thick) sourdough bread
- 1 tsp extra-virgin olive oil, plus more for brushing on the bread
- 4 to 6 Tbsp fig jam
- 4 oz brie, thinly sliced (rind left on)
- 8 thin slices ham (about ¼ lb)
- 1 tsp balsamic vinegar
- ¼ tsp kosher salt
- ⅛ tsp ground black pepper
- 1 loosely packed cup arugula

Tartine is just a fancy way of saying open-faced sandwich, but the delicious mix of ingredients here deserves the elevated title. Feel free to play around with the idea, substituting, say, peach preserves for the jam or featuring blue cheese instead of brie.

1. Brush one side of the bread with the oil.
2. Place the bread on the flat wire rack, oil side up, and slide the rack into the top rack position.
3. Set the Air Fryer + Oven to Toast on Shade 4.
4. When the bread is toasted, top each slice with the fig jam, brie, and then the ham.
5. Line the broil/bake pan with foil. Transfer the tartines to the pan and slide it in the top rack position. Set to Toast on Shade 4 and toast until the cheese is melted.
6. Meanwhile, in a small bowl, mix the 1 tsp of olive oil with the vinegar, salt, and pepper. Top the tartines with the arugula, drizzle with the vinaigrette, and serve.

CLASSIC BLT

Why mess with a classic? Just be sure the tomato is ripe and the bacon is crisp.

INGREDIENTS

- 6 slices white or wheat bread
- 9 slices bacon
- 6 Tbsp mayonnaise
- 6 red leaf or green leaf lettuce leaves, torn in half
- 1 beefsteak tomato, cut into 6 slices
- ½ tsp kosher salt

1. Arrange the bread on the flat wire rack and slide the rack into the top rack position of the Air Fryer + Oven. Toast on Shade 5 until dark golden brown on top. Set aside.
2. Slide the broil/bake pan into the bottom rack position. Arrange the bacon in a single layer on one of the dehydrating racks. Slide the dehydrating rack into the top rack position. Set to Air Fry at 400°F for 10 minutes.
3. While the bacon is cooking, begin assembling the sandwiches: Spread 1 Tbsp of mayonnaise on each of the slices of bread. Top three slices with the lettuce and tomato and season the tomato with the salt.
4. Check that the bacon is crisp; if not, air fry it for another 1 to 2 minutes. Carefully top tomatoes with the hot bacon, put the top piece of bread on the sandwich, slice, and serve.

TOMATO BRUSCHETTA

SPECIAL EQUIPMENT

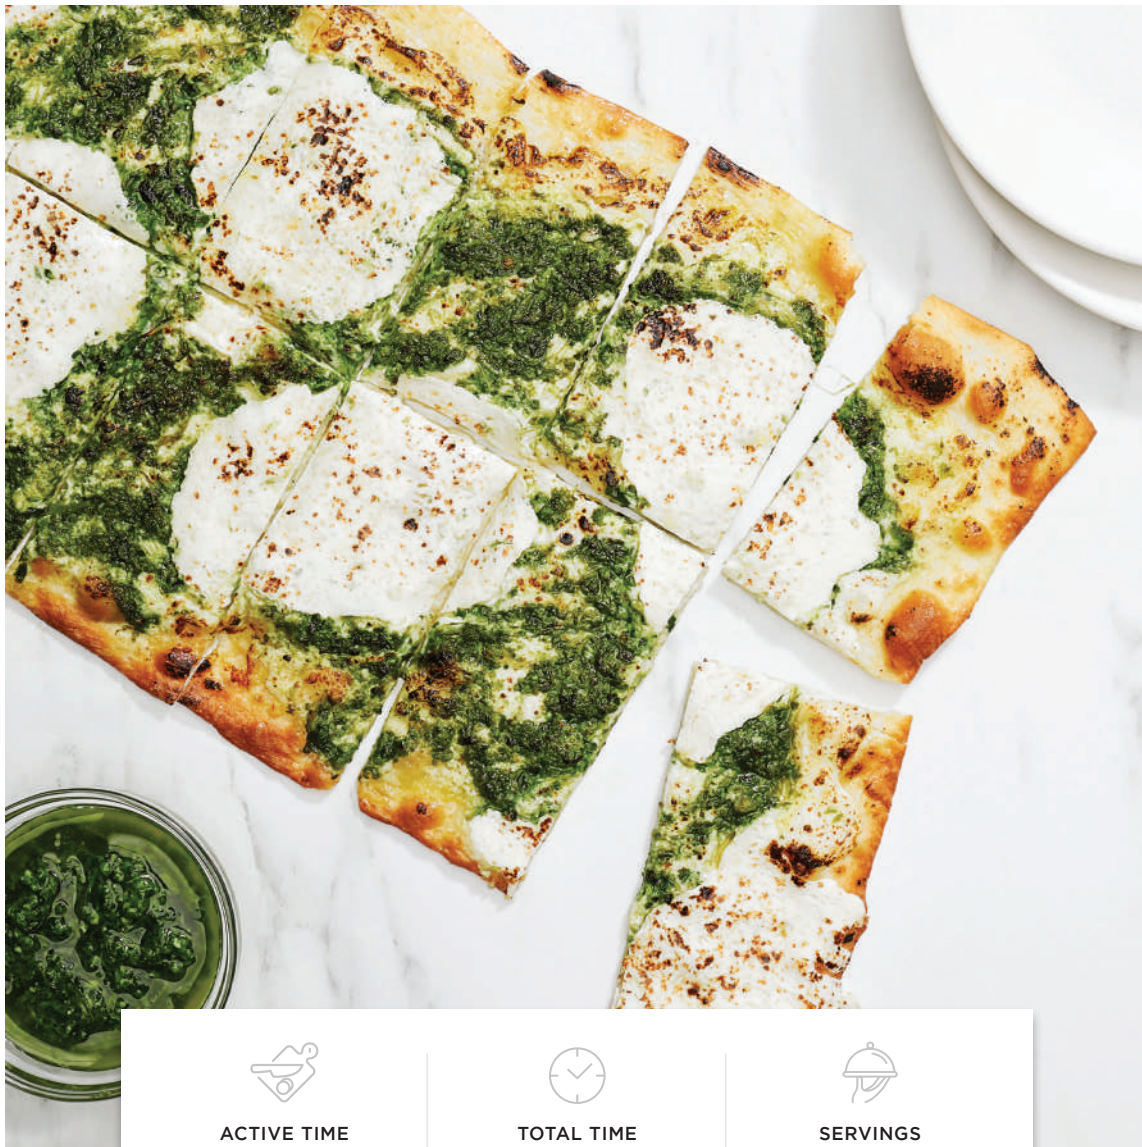

- Pastry brush

INGREDIENTS

- 6 ripe plum tomatoes, diced
- ¼ cup chopped fresh basil
- 2 Tbsp finely chopped red onion
- 3 Tbsp extra-virgin olive oil, divided
- 2 tsp balsamic vinegar
- ½ tsp kosher salt
- ½ tsp freshly ground black pepper
- 1 baguette, sliced ½ inch thick (about 28 slices)

Easy-to-make bruschetta is always a crowd pleaser. Feel free to add some finely chopped garlic to the tomatoes for a bolder hit of flavor. To keep the tomatoes from spilling off the toast, consider spreading a little hummus on the toasts before topping them with the tomatoes; the hummus acts like “glue” but tastes delicious.

1. In a medium bowl, combine the tomatoes, basil, onion, 1 Tbsp of the oil, vinegar, salt, and pepper.
2. Brush one side of the bread slices with the remaining 2 Tbsp of oil.
3. Place the bread slices, oiled side up, on the wire rack. Slide the rack into the top position of the Air Fryer + Oven. Set to Toast at Shade 4.
4. Top the toasted side of the bread with the tomato mixture and serve.

PESTO AND PECORINO PIZZA

INGREDIENTS

- Cooking spray, preferably olive oil
- 5 oz fresh mozzarella
- 15 oz fresh pizza dough, at room temperature
- ¼ cup ricotta
- ¼ cup grated pecorino Romano
- 2 Tbsp heavy cream
- ½ tsp garlic powder
- ½ tsp freshly ground black pepper
- ¼ tsp crushed red pepper flakes, plus more for serving if desired
- 3 Tbsp homemade or prepared pesto

Two layers of creamy cheese plus fragrant pesto add up to a pizza you can't stop eating. The dough will be much easier to work with if you give it ample time to come up to room temperature.

1. Lightly spray the broil/bake pan with cooking spray.
2. Coarsely grate about 1 oz of the mozzarella; you should have about ¼ cup. Slice the rest about ¼ inch thick.
3. Put the pizza dough on the broil/bake pan and stretch it to fill the pan all the way to the corners; the dough should be about ¼ inch thick.
4. In a medium bowl, combine the shredded mozzarella with the ricotta, pecorino, cream, garlic powder, black pepper, and pepper flakes. Evenly spread the cheese mixture over the pizza crust. Spread the pesto over the cheese, then distribute the fresh mozzarella over the pesto—it may not cover the entire pizza, which is fine.
5. Slide the pan into the top rack position of the Air Fryer + Oven.
6. Press the Dual Cook Button. Set the first cook function to Bake at 350°F for 15 minutes. Press the No. 2 button and set the second cook function to Broil on low for 2 minutes, then press Start/Stop. The unit will automatically go from Bake to Broil and will turn off automatically when the broil time ends.
7. Transfer the pizza to a cutting board and allow it to cool slightly before slicing. Serve topped with additional red pepper flakes, if desired.

BAKED MEXICAN STREET CORN

INGREDIENTS

- 1 Tbsp kosher salt
- 1 Tbsp chili powder
- 1/8 tsp cayenne
- 6 small ears of corn, shucked
- 3 Tbsp unsalted butter, at room temperature
- 1/3 cup crumbled Cotija or queso fresco
- 3 Tbsp chopped fresh cilantro
- Lime slices or wedges, for serving

Also called elote, this favorite street food is usually quickly grilled, but with the Air Fryer + Oven, the corn slowly air fries to caramelized perfection, mimicking the charring from the grill.

1. In a small bowl, combine the salt, chili powder, and cayenne.
2. Coat the corn with the butter and place on the flat wire rack. Slide the rack into the top rack position and the broil/bake into the lower slot to catch any drips.
3. Set to Air Fry at 400°F for 10 minutes until the corn is browned in some spots.
4. Carefully flip the corn over, then set to Air Fry at 400°F for 10 minutes more.
5. Transfer the corn to a rimmed platter. Season all over with the chili powder mixture, sprinkle with the cheese and the cilantro, and serve immediately with lime wedges.

BAKED MAC AND CHEESE

SPECIAL EQUIPMENT

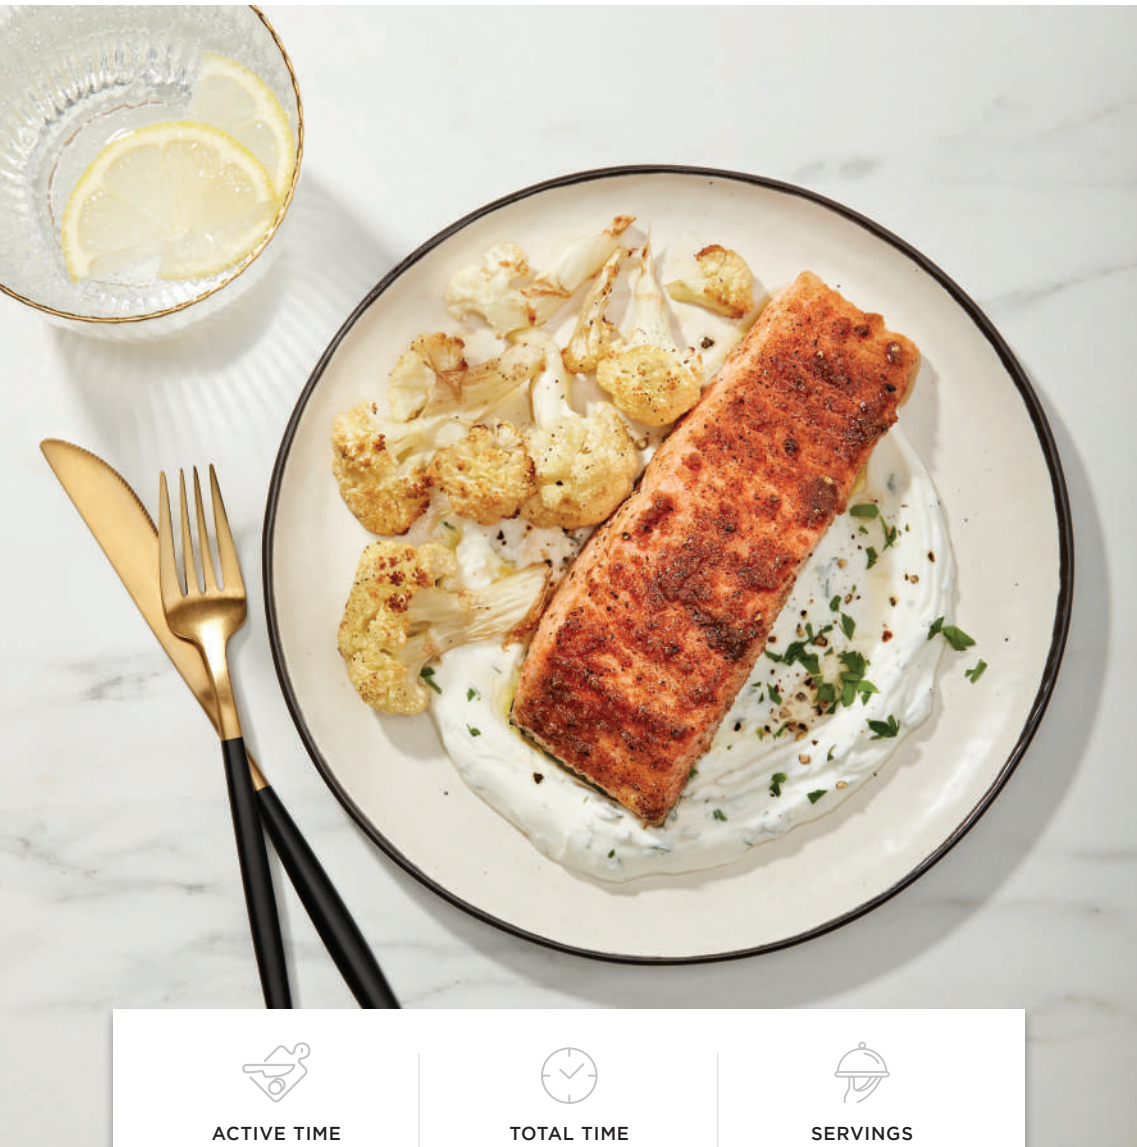

- 8x8 baking dish

INGREDIENTS

- Cooking spray
- 10 oz shredded cheddar (about 2½ cups)
- 6 oz shredded mozzarella (about 1½ cups)
- 1½ tsp kosher salt, more for the pasta water
- 12 oz fusilli or similar shaped pasta
- 1 Tbsp olive oil
- 2 Tbsp salted butter
- 3 Tbsp all-purpose flour
- 3 cups whole milk, at room temperature
- 1 cup half-and-half, at room temperature
- ½ tsp freshly ground black pepper
- ¼ tsp ground mustard
- ⅛ tsp ground nutmeg

Does it get any better than creamy, gooey mac and cheese with a golden-brown crust? Air-frying plus a quick broil gives you the best of both worlds.

1. Spray an 8x8-inch baking dish with cooking spray. In a medium bowl, combine the cheddar and mozzarella.
2. Cook the pasta according to package directions until al dente, drain, then toss with 1 Tbsp oil to prevent sticking.
3. Melt the butter in a large sauté pan over medium heat until melted. Add the flour and stir to combine for 2 minutes.
4. While whisking, add the milk slowly then whisk in the half-and-half, the 1½ tsp salt, the pepper, mustard, and nutmeg until fully combined.
5. Cook, whisking occasionally, until hot and slightly thickened with some bubbles, about 6 minutes.
6. Reduce the heat to medium low, add about one-third of the cheese, and whisk until melted. Cook, whisking occasionally to keep from sticking, until the mixture is hot and has significantly thickened, about 4 minutes.
7. Remove from the heat and stir in the reserved cooked pasta.
8. Transfer about half of the pasta mixture to the prepared pan and top with half of the remaining cheese. Add the remaining pasta to the pan and top with the remaining cheese.
9. Place the baking pan on the broil/bake pan and slide it into the lower rack position.
10. Press the Dual Cook button. Set the first cook function to Air Fry at 300°F for 15 minutes. After setting first cook function, press the No. 2 button and set the second cook function to Broil on Low for 3 minutes, then press Start. GARAM MASALA SALMON WITH CAULIFLOWER

INGREDIENTS

Salmon:

- 1 tsp kosher salt
- 1 tsp garlic powder
- 1 tsp onion powder
- ½ tsp garam masala
- ¼ tsp freshly ground black pepper
- 2 tsp olive oil
- 4 6-oz salmon fillets, preferably skin-on
- Cooking spray

Cauliflower:

- 1 medium head cauliflower, trimmed, cored, cut into 1-inch florets (about 5 cups)
- 1 Tbsp olive oil
- ¼ tsp kosher salt
- ¼ tsp freshly ground black pepper

For more flavor and a hit of creamy coolness, stir some chopped fresh parsley into plain yogurt, season with salt and pepper, and serve a dollop along with the fish and cauliflower.

1. For the salmon: In a small bowl, combine the 1 tsp salt, garlic powder, onion powder, garam masala, ¼ tsp pepper, and 2 tsp olive oil. Spread the spice mixture all over the salmon.
2. Spray one of the dehydrating racks with cooking spray. Place the salmon skin side down on the rack with room between each fillet. Slide the rack into the bottom rack position of the Air Fryer + Oven.
3. For the cauliflower: In a medium bowl, toss the florets with the 1 Tbsp olive oil, ¼ tsp salt, and ¼ tsp pepper. Spread the florets out in a single layer on the other dehydrating rack and slide that rack into the top position.
4. Set to Convection Bake at 325°F for 13 minutes for salmon cooked to medium and tender cauliflower. (For medium rare, remove the salmon a minute or two early; for more well done, leave the salmon in after removing the cauliflower and set to Convection Bake at 325°F for an additional minute or two.)

- 1 tsp kosher salt
- 1 tsp garlic powder
- 1 tsp onion powder
- 1 tsp dried oregano
- ½ tsp freshly ground black pepper
- 2 large eggs
- ¾ cup Italian-style seasoned breadcrumbs
- 1¼ lb thin-sliced boneless, skinless chicken breast
- Cooking spray, preferably olive oil
- 1½ cups homemade or store-bought marinara
- 8 oz brick-style low-moisture mozzarella, sliced
- Fresh basil, for garnish (optional)

Everyone's favorite can be an easy weeknight dinner when you start with premade marinara, thin cutlets, and cook with the power of the Air Fryer + Oven.

1. Cover the broil/bake pan in foil and place the air fry basket on it.
2. In a medium bowl or rimmed plate, combine the flour, salt, garlic powder, onion powder, oregano, and pepper. In another medium bowl, whisk the eggs with 2 Tbsp water. Add the breadcrumbs to a third bowl.
3. Bread each chicken cutlet by coating it fully first in the flour mixture and tapping off the excess, then the egg, and then the breadcrumbs, pressing the breadcrumbs to help them adhere.
4. Place the breaded cutlets in the air fry basket in a single layer. Lightly spray the tops of the cutlets with cooking spray, then slide the pan into the Air Fryer + Oven in the top rack position.
5. Set to Bake at 375°F for 10 minutes.
6. Carefully flip the cutlets over in the basket, spray the new top side with cooking spray, then set to Bake at 375°F for 8 minutes.
7. Set the foil-lined pan and basket down on a heatproof surface, then transfer the cutlets from the basket to the pan. Spoon the marinara over the cutlets, then top with the cheese.

MEDITERRANEAN CHICKEN AND POTATOES

INGREDIENTS

- 4 bone-in, skin-on chicken thighs (about 2 lb)
- 1½ lb little or baby potatoes, halved or quartered, to yield 1-inch pieces
- 3 Tbsp olive oil
- 1½ tsp kosher salt
- 1 tsp dried oregano
- 1 tsp garlic powder
- 1 tsp onion powder
- ½ tsp freshly ground black pepper
- Lemon wedges, for serving
- Fresh oregano, for serving (optional)

We love chicken thighs because they have a deep, rich flavor and always cook up nice and juicy. Air frying them makes the skin irresistibly crisp, too.

1. In a large bowl, toss the chicken and potatoes with the oil, salt, oregano, garlic powder, onion powder, and pepper until evenly coated.
2. Line the broil/bake pan with foil and place the air fry basket on top of it. Place a thigh in each of the basket's 4 corners, then spread the potatoes out in the basket, keeping the chicken exposed.
3. Slide the pan into the bottom rack position and set to Air Fry at 350°F for 15 minutes. When the time is up, gently toss the potatoes.
4. Continue to Air Fry at 350°F until the chicken is cooked through (165°F) and the potatoes are tender, another 20 minutes.

INGREDIENTS

Boats:

- 4 to 5 medium zucchini
- ¼ tsp kosher salt

Filling:

- 1 Tbsp olive oil
- 1 medium yellow onion, diced
- 1 bell pepper, diced
- 3 garlic cloves, roughly chopped
- 1½ tsp kosher salt
- 2 tsp ground cumin
- 1 tsp chili powder
- 1 tsp ground coriander
- 1 tsp dried oregano
- 1 tsp paprika
- ½ tsp freshly ground black pepper
- 1 lb ground beef, preferably 80% lean
- 1½ cups shredded Mexican-style cheese blend

Serving (optional):

- Chopped fresh cilantro
- Sour cream
- Salsa

Swap out fried tortilla shells for zucchini boats for a delicious, yet healthier, Taco Tuesday dinner.

1. For the zucchini boats: Line the broil/bake pan with foil.
2. Trim the ends of the zucchini, then cut them in half lengthwise and scoop out the seeds with spoon. Place each half, skin side down, on the prepared pan as you go. Use only as many zucchini as will fit on the pan; the amount will vary based on their size. Sprinkle the zucchini with ¼ tsp salt.
3. For the filling: In a large skillet over medium heat, heat the olive oil until hot, about 3 minutes.
4. Add the onion, bell pepper, garlic, and 1½ tsp salt, and cook, stirring occasionally, until the vegetables are slightly softened, about 4 minutes.
5. Add the cumin, chili powder, coriander, oregano, paprika, and black pepper and cook, stirring frequently, until the spices are fragrant, about 2 minutes.
6. Add the beef and cook, stirring to break up clumps, until browned and cooked through, about 10 minutes. Let cool briefly then spoon the meat mixture into the prepared “boats.” Don’t worry if they are slightly overfilled; they will shrink down a little bit.
7. Sprinkle the cheese over the boats.
8. Slide the pan into the bottom rack position and set to Convection Bake at 375°F for 15 minutes.
9. When the time is up, check that the zucchini is tender, and the cheese is browned and bubbly; if not, cook for a few minutes more.

- 1½ tsp freshly ground black pepper
- 1 4-lb center-cut pork loin
- 6 to 9 slices thick-cut bacon

1. In a small bowl, combine the rosemary, sage, thyme, garlic powder, salt, and pepper.
2. Coat the pork all over with the herb mixture.

BROWN-BUTTER SUGAR COOKIES

INGREDIENTS

- 1 cup all-purpose flour
- ½ tsp baking soda
- ¼ tsp kosher salt
- 8 Tbsp (½ cup) unsalted butter
- ⅓ cup granulated sugar
- ⅓ cup packed light brown sugar
- ½ large egg, beaten
- 1 tsp vanilla extract
- Flaky sea salt

You'll be amazed at how much deep, toasty flavor you can add to the humble sugar cookie with the extra step of browning the butter.

1. Line the broil/bake pan with parchment paper.
2. In a small bowl, whisk the flour, baking soda, and salt until combined.
3. Heat the butter in a medium saucepan over medium-low heat, until just melted, about 4 minutes.
4. Reduce the heat to low and cook, swirling the pan occasionally, until the milk solids on the bottom of the pan turn brown and the butter has a nutty aroma, about 12 minutes. Scrape the butter and all those toasty browned bits into the bowl of an electric stand mixer fitted with the paddle attachment or, if mixing by hand, a large bowl, and let cool about 10 minutes.
5. Add the granulated sugar and brown sugar to the brown butter.
6. Beat at medium speed or until combined, about 1 minute. Add the egg and vanilla and beat until combined, about 1 minute. Alternatively, use a whisk to beat ingredients by hand.
7. Add the dry ingredients and beat until fully combined, about 2 minutes.
8. Roll the dough into 1-inch balls to make about 15 cookies, transferring them to a plate as you go. Refrigerate to firm up, about 8 minutes.
9. Place the dough balls on the prepared broil/bake pan, spacing evenly. Top each with a pinch of flaky sea salt, gently pressing down on the salt to ensure it sticks.
10. Slide the pan into the top rack position of the Air Fryer + Oven and set to Bake at 325°F for 12 minutes.
11. Let cool briefly before serving. Store in an airtight container once completely cool.

VEGAN/GLUTEN-FREE MIXED BERRY CRISP

SPECIAL EQUIPMENT

- 8x8 baking pan

INGREDIENTS

- 12 oz blueberries (about 2½ cups)
- 12 oz raspberries (about 2¼ cups)
- 6 oz blackberries (about 1½ cup)
- ¼ cup raw sugar
- 2 tsp arrowroot or cornstarch
- 1½ cups gluten-free old-fashioned oats
- ½ cup almond flour
- ½ cup maple syrup
- ⅓ cup unsweetened shredded coconut
- ¼ cup coconut oil, melted
- 1 tsp ground cinnamon
- Pinch kosher salt
- Vegan ice cream or whipped cream, for serving

You won't miss the traditional butter in this toasty, cinnamon-scented topping. Be sure to look for oats labeled gluten-free. If you're not a fan of blackberry seeds, use the same amount of strawberries, cut in half if large.

1. In a medium bowl, toss the berries with the sugar and arrowroot or cornstarch. Transfer the berry mixture to an 8x8 baking pan.
2. In a medium bowl, combine the oats, flour, syrup, coconut, coconut oil, cinnamon, and salt. Stir until well combined.
3. Spoon the oat mixture over the top of the berry mixture. Cover the pan with foil, place the pan on the broil/bake pan, then slide the pan into the top rack position of the Air Fryer + Oven.
4. Set to Bake at 350°F for 20 minutes.

CARAMELIZED BANANA BREAD PUDDING

SPECIAL EQUIPMENT

- 8x8 baking pan

INGREDIENTS

- ½ Tbsp salted butter
- ½ cup plus 3 Tbsp sugar, divided
- 3 large eggs
- ¼ cup store-bought or homemade caramel sauce, plus more for serving (optional)
- 2 tsp vanilla extract
- ½ tsp kosher salt
- 2 cups whole milk
- ½ cup heavy cream
- ½ loaf of French bread, preferably day-old, cut into ¾-inch cubes (about 5½ cups)
- 2 ripe bananas, sliced crosswise ¼ inch thick
- Cooking spray
- Ice cream or whipped cream, for serving (optional)

Can a dessert be both homey and decadent? Absolutely, when you combine a classic bread pudding with caramel sauce and caramelized bananas. A dollop of whipped cream or ice cream takes it right over the top.

1. Grease the bottom and sides of an 8x8 baking pan with butter. Sprinkle 1 Tbsp of the sugar over the bottom and sides of the pan.
2. In a large bowl, whisk the eggs with ½ cup of the sugar, caramel sauce, vanilla, and salt until well combined.
3. Add the whole milk and heavy cream and whisk until well combined.
4. Add the bread cubes, toss to coat, and refrigerate for at least 30 minutes and up to 2 hours.
5. Pour the mixture into the prepared pan and top with the banana slices.
6. Sprinkle the top with the remaining 2 Tbsp sugar. Spray a piece of aluminum foil with cooking spray, then put it greased side down on the baking pan. Place the baking pan on the broil/bake pan, then slide the pan into the lower rack position.
7. Set to Bake at 325°F for 45 minutes. When timer ends, carefully remove the foil, placing any bananas that stick back on the pudding.
8. Slide the pan back into the lower rack position. Press the Dual Cook button. Set the first cook function to Bake at 325°F for 10 minutes. After setting first cook function, press the No. 2 button, set the second cook function to Broil on high for 3 minutes, then press the Start/Stop button. The unit will automatically go from Bake to Broil and will turn off automatically when the broil time ends.
9. The top of the pudding should be dark golden-brown at the end of cooking. Let cool briefly, then serve with more caramel sauce and whipped cream or ice cream, if you like.
