## STAINLESS STEEL

Dear Customer,

Brand “VINOD” was established in the year 1962, in a very small way with mere trading activities. In due course of time, as the brand got popular among consumers in India, “VINOD” then started its manufacturing unit by the name of “PRAGATI METAL WORKS” in the year 1984.

From day one emphasis was laid on Quality and Innovation, slowly the brand started growing. In spite of Competition from all around, “VINOD” enjoys high brand equity and trust with the Trade, Institution and its Customers with every passing generation in India.

The Sole aim of the management is to provide the best quality Stainless Steel Tableware and Kitchenware Products.

Pragati Metal Works has seen transformation from a traditional run business to a Professional One, with the new generation joining. In the year 2001, My elder son Nikhil Agarwal joined the business, followed by Ankur Agarwal in the year 2007. Recently my daughter in law, Nitika Agarwal joined in 2011.

“VINOD” products are manufactured both with premium quality stainless steel for the ones looking in for the quality market and from the standard quality stainless steel for the ones looking for the price aspect. The commitment in both the cases in terms of value addition to the product and its utility is always done with highest attention.

*Best Regards,*

**Mahesh Agarwal**  
*Managing Director*

## TITANIUM TRI PLY

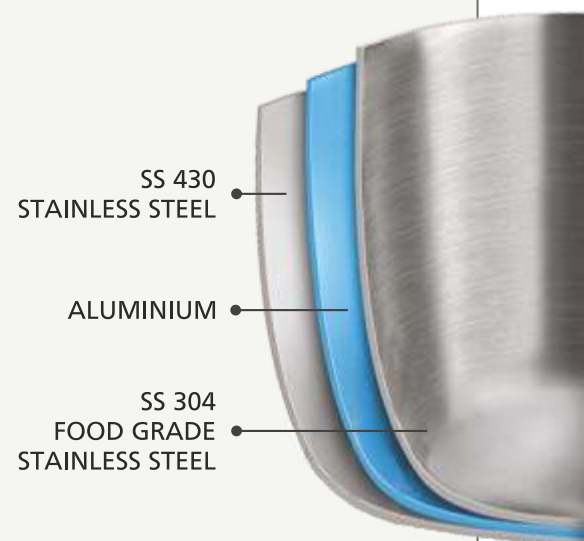

Vinod's **DONIV** Titanium Triply range redefines fast and healthy cooking with its three metal construction that helps distribute heat evenly and reduce energy usage. Using the best of both stainless steel and aluminium, we have designed the ultimate combination that cooks your meal to perfection.

Choose from our wide variety of Triply cookware products – Titanium Triply Pressure Cookers Outer Lid, Fry Pan, Kadhai with Cover, Sauce Pan with Cover, Tasla, Tope with Cover and switch to **#SmartCooking**.

**Layer 1** - Food Grade 18/8 Stainless Steel used in the inner surface for healthy cooking. 18/8 Stainless Steel is the most superior Stainless Steel with longest life.

**layer 2** - Encapsulated layer of 1.8 mm thick aluminium throughout the cookware including the bottom and the body. This helps in even heat distribution, less cooking time, minimum burning of food.

**Layer 3** - SS 430 magnetic Stainless Steel used as the 3rd layer, making the cookware induction-friendly. The cookware can also be used for conventional cooking.
