## Pool Code Approved

Certain styles of ActiveYards® fence are pool code approved at the national level (noted with the pool code icon). Please note that codes not only vary by state but also by locality. Our pool code products may not meet your local pool code requirements. Be sure to check the codes in your area before ordering.

Shop. Select. Install.

3  
ways

We offer the freedom of choice from how you can shop for your fencing solution to the actual installation. After you choose the style that best serves your need, we provide a series of quality grades and designs to select from. And finally, you decide which installation option best suits your project and budget.

Whatever you decide, we will help you every step of the way. The result of the choices you make will provide you with YOUR fencing solution for life.

Here are few factors to consider when choosing your fence style, color and size:

**Type of environment?**

- Weather
- Terrain

**Safety concerns?**

- Children
- Pets

**Any code requirements?**

- Building and pool codes
- Neighborhood / HOA

# Our Ingenuities. Your Advantages.

**SOLARGUARD™**

## Color that Lasts

Every fence we make is infused with our exclusive color retention technology, which helps protect it from the harmful rays of the sun.

**GLIDELOCK™**

## Privacy & Strength

Our GlideLock® design makes sure each board locks tightly into place without any gaps providing you the seclusion and privacy you want for your yard.

**STAYSTRAIGHT™**

## Perfectly Balanced

StayStraight® technology is the exclusively engineered ActiveYards rail system designed to prevent substantial long term bowing or sagging.

**CORIGIN™**

## Better from the inside out

An innovative construction system that connects the pickets and rails from the inside out producing a longer lasting, stronger and better looking fence.

**CAMBIUM™**

## Natural Beauty

Our Cambium® technology gives you all the natural looking beauty of real wood, without the need for continued upkeep and maintenance.

**STAYSQUARE™**

## Perfectly Strong

StaySquare® Gate Systems featuring innovative gate pockets are exclusively engineered for strength without the use of a brace.
