Packmule Duffel Bag  
Owner's Manual

IMPORTANT!! To ensure the safe and proper usage of the DOS Packmule Duffel Bag please fully read and follow all instructions contained in this manual.

 **WARNING** 

This bag may be flammable! Please keep all flame and heat sources away from this product. Please do not store flammable or explosive materials inside the duffel bag (propane tanks, ammunition, lighter fluid, etc.)

Do not allow children to play with, around, or inside the duffel bag. To ensure the best weatherproofing seal, an adult should be responsible for sealing the contents of the duffel bag.

# Use

It is important to read these instructions carefully before taking the Bag on your first trip.

## Instructions

- Ensure that all contents intended to be stored inside the duffel bag are dry and free of any moisture or dust.
- Unbuckle and unroll the bag opening to insert desired items into the duffel bag.
- Roll the bag top opening towards the bag body tightly and fasten each side buckle.
- Secure the bag top to the body by attaching the two front buckles and cinching the straps down.
- While the bag is made of a non-slip finish, for roof rack use, loop tie-down straps through carry handles for extra security.

## USE AND CARE

- Keep the bag away from sharp objects such as rough rocks, thorns, metal edges, etc.
- Keep the bag away from open flames and high heat sources
- Occasionally wipe the bag with a damp rag to remove any residual dust or dirt
