Sedona

The NexGen Relaxer ushers in a new era of Scandinavian reclining with the ergo-gravity and ergo-gravity advanced functions. Placing the customer into a 'zero-gravity' position, this creates a healthier relaxation experience encouraging optimum support across key points of the body, while providing the most comfort.

With a simple, stylish design, Sedona delivers luxurious comfort and support. The sumptuous, padded cushioning is enhanced by deep line stitching in the backrest creating contours which embrace the body. Featuring our sleek disc base, Sedona will make a perfect addition to the modern living space.

Up to 3 Sizes Available

Choose from Medium, Large or Extra Large and find your perfect fit.

Functions - Features

1. Higher Grade Foam

Created through cold-cure foam technology, this ensures ergonomically correct seating posture and support which lasts.

2. Comfort-Precision Headrest

Adjustable head and neck support gives you the ultimate comfort in all seating positions.

3. Height-adjustable Headrest

Enabling the headrest to be adjusted for taller individuals.

4. Steel Interior Springs

Steel springs located throughout the back and seat provide optimum support whilst cradling the body.

5. Wood Base

A modern, sleek and stylish disk base with multiple wood finish options.

6. Swivel Function

Enabling you to turn in any direction with ease to ensure you never miss a moment.

7. Finger Guard Feature

Protective plastic covering over reclining mechanisms to reduce the risk of injury to yourself, children or pets while using the recliner.

8. Ergo-Gravity

Places the recliner into the zero-gravity position, helping to alleviate tension across key points of the body.

9. Ergo-Gravity Advanced

Combining the ergo-gravity function with our glide function, this allows you to further tailor your relaxation.

10. Ergo-Lift

Combining our lift and swivel function, this allows for unrestricted movement and additional support.
