

## Valletta

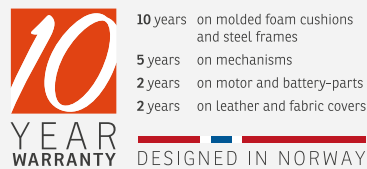

The NexGen Relaxer introduces a new era of Scandinavian reclining with the ergo-gravity and ergo-gravity advanced functions. Placing the customer into a 'zero-gravity' position, this creates a healthier relaxation experience encouraging optimum support across key points of the body, while providing the most comfort.

Valletta is an elegant, sophisticated recliner offering luxurious comfort and support. Sumptuous, soft padded is covered with a glove-fitted upholstery, creating contours which embrace the body. With square, padded armrests and pipe seam detailing, Valetta brings subtle, sophisticated style to the living area.
