

Check your shoe size in 5 easy steps!

- 1.** Use the ruler to check if the printout is correct (If indeed 3cm match 3cm).
- 2.** Fold along the dotted line, put the paper on the floor and stand barefoot on it. Press your toes softly down.
- 3.** In case of doubt, pick up a ruler, we placed two guides at the top and at the bottom (Check heel-to-toe from there, if it is easier for you)
- 4.** Confirm your foot width with the dashed line (The virtue is in the middle)
- 5.** Are you in between 2 sizes? Choose the biggest one!
