

What It Is:

Honey Butter Lotion

A luxuriously rich and thick body cream, delivering intense hydration for irresistibly soft and nourished skin.

WHAT DOES IT DO?

- Deeply hydrates: Its rich and thick formula penetrates deeply into the skin, providing intense moisture to combat dryness and rough patches.
- Nourishes and replenishes: Enriched with potent moisturizing ingredients, it replenishes the skin's moisture barrier, leaving it feeling supple and rejuvenated.
- Restores skin's elasticity: Formulated to improve skin elasticity, it helps firm and tone, reducing the appearance of fine lines and promoting a more youthful-looking complexion.

WHY DO YOU NEED IT?

- Perfect for combating dry, rough skin by providing deep hydration. Leaves skin soft and moisturized.
- Treat clients to a spa-like experience with this butter cream, resulting in a healthy radiant glow.
- Whether it's combating winter dryness or soothing sun-exposed skin in the summer, this cream is a must-have all year round to maintain healthy skin.
- Ideal for all skin types. Its rich formula is suitable for those with dry, sensitive, or mature skin, offering universal nourishment and hydration.

DIRECTIONS FOR USE

- For best results, exfoliate your skin with scrub or gentle exfoliating mask.
- Before application, ensure your skin is clean and free from any residue.
- Using a generous amount, gently massage product onto skin. Focus on areas prone to dryness or needing extra hydration.
- Allow time to absorb: Let the cream absorb fully into your skin before dressing to maximize its moisturizing benefits.
