Size 1 Details

Length - 100"

Width - 11"

If you're 5'5" & you drape the body scarf wrap evenly from your neck - each end will reach about 11" from the floor.

Proportionately longer, if you're shorter.

Size 2 Details

Length - 124"

Width - 12"

If you're 5'5" & you drape the body scarf wrap evenly from your neck - each end will reach the floor plus about 1".

Proportionately longer, if you're shorter.

One more thing . . .

Consider the length of your Body Scarf Wrap when deciding on size 1 or size 2. Do you love a big bow? Think longer as in size 2. Do you prefer as little extra length as possible? Think shorter as in size 1.
