## FIT GUIDE

The Playlette may take a little finessing\* to pull over your hips. Once on, it is designed to fit comfortably snug and allow unrestricted movement. If you prefer a looser fit, we suggest ordering one size up.

**\*Tips**

Pull the bra band elastic just below your hips.

Take the bra band in your hands like you would with a pair of panty hose and work over hips.

Set the bra band below your breasts.

Slip your arms through the shoulder straps.

Set the garters at the top of your thighs.

Adjust the fabric to your body between the bra band and garters until it feels comfortable, taking care to keep the side seams straight.

With the Lacy Playlette, position the ruching for comfort and visual effect across your tummy.
