Caring for your Recorder

Every Time You Play

- Ensure no food, sweets or sugary drinks are consumed just before or during play. This can leave a residue within the instrument.
- Use a cleaning cloth and rod to clean the inside of the instrument once you have finished playing. This helps to dry it out and keep it in good condition.
- Check the instrument over regularly. If something looks out of place/unusual, ask the teacher to inspect it.

Every Month

- Wash the recorder in warm, soapy water and rinse thoroughly.
- Dry inside and out using the cleaning cloth and rod.

The following items will help to keep the instrument in the best possible condition.

Cleaning Cloth, Cleaning Rod.

If you wish to purchase any of these items, please visit www.normans.co.uk or email sales@normans.co.uk
