

THE *string* METHOD

01 /

FIND *your* RING SIZE

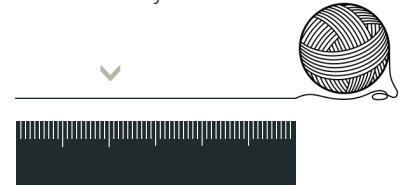

Wrap the string around the base of your finger. Mark (or cut) the point where one end of the string meets the other.

02 /

MEASURE *the* STRING

Measure the length of the string on a ruler to find your size.

THE *ring* METHOD

01 /

FIND *your* RING SIZE

If you have a ring that already fits your finger well, you can use a ruler to measure the inside diameter of this ring.

02 /

MEASURE *the* RING

Take your ruler and measure straight across the inside of the ring from edge to edge in millimeters and compare to the below chart.

YOUR *necklace* LENGTH

Please note chains may appear slightly longer when paired with a pendant due to the added weight.
