

## 2022 THE IMPRESSIONIST PINOT GRIGIO

### WINE DESCRIPTION:

Pale straw with just a hint of varietal blush. A floral nose with hints of nashi pear, lychee, and honey. The palate is bright and juicy displaying stone fruits and lime juice. This textural and youthful wine finishes with refreshing acidity.

### WINEMAKING:

Sourced from our cool, high elevation vineyard in Eden Valley, this fruit was picked and delivered to the winery in the cool of night. Gently pressed, it was then cold settled for 48 hours before being racked. Fermented at cool temperatures with a small number of solids allowed us to create this textural perfumed wine.
