

2022 THE IMPRESSIONIST PINOT NOIR ROSÉ

WINE DESCRIPTION:

Made using 100% Pinot Noir grapes from our elevated Eden Valley Vineyard, this Rose displays lifted aromas of strawberry, watermelon and rose petal. The textural palate offers luscious strawberry and red cherry notes with a hint of pink grapefruit accompanied by subtle minerality. A cooler vintage has imparted lively acidity and the finish is refreshingly crisp.

WINEMAKING:

This small parcel of Single Vineyard Eden Valley Rose was made from Pinot noir grapes. The fruit was pressed directly off skins within 2 hours of harvesting to achieve our desired colour. It was then cold and settled for 48 hours. Fermenting at cool temperatures with a small number of solids. The wine was fermented dry, filtered and bottled.
