

2023 ESTATE PINOT GRIS

WINE DESCRIPTION:

Exhibiting a light, varietal 'blush' colour with aromas of lime and pear with floral notes. The palate is fruit-driven and packed with citrus, pear, and white blossom. Fermented with a high number of grape solids to produce a textural, creamy mid-palate balanced by natural acidity, delivering a crisp finish.

WINEMAKING:

This single vineyard Pinot Gris was sourced from our Pewsey Vale estate with an elevation of 550 metres. The fruit was picked and delivered to the winery in the cool of the night, where it was gently whole-bunch pressed then cold settled for 48 hours before being racked.
