Sentinel GPS Tracker + Charger

Note: Please write down the tracker number (example ind100) with the vehicle number/name If installing more than one device.

1. Make sure your device is fully charged. Unscrew the flap on the top of the device and plug the charger into the device or use the optional wireless charging pad (sold separately). It is recommended to let it charge overnight)
2. Locate the magnetic side of the tracker.

3. Attach to the underside of vehicle/asset. We recommend using the frame rail or bumper if possible. Make sure to keep away from moving parts and exhaust pieces!

4. Activate Device

Go to www.odtracking.com/activate to activate your new device(s) Or call 317-662-4636.
