Used by at-home cooks and professional chefs alike, the **Chef'n 4-in-1 Glass Mandoline** is a kitchen must have. Our take on the classic features a glass slicing deck so you can see your produce as you slice. Straight, julienne, and crinkle cut blades included as well as a hand guard to keep those fingers safe! Feet fold flat and blade rotates to safety mode for compact, secure storage. \$99.99

Does making your own milk alternative at home sound a little... nutty? If so, we're here to show you how simple it can be with the **Chef'n Nut Milk Maker**. The easy to clean, reusable filter makes straining simple and mess-free and the glass carafe is perfect for serving. Saving some for later? Put on the leak-proof silicone lid and pop it in the fridge. Almonds, hazelnuts, or even coconut, the possibilities are endless! \$24.99

If you like Pina Coladas and getting caught in the rain... a pineapple tool designed in Seattle is the one for you! With a ratcheting twist design, the **Chef'n Twist 'n Core Pineapple Tool** makes slicing through a pineapple quick and simple. The easy release button locks the blade to cut through the last bit of fruit in the base leaving you with juicy, sliced pineapple and a hollow shell perfect for your tropical drink. Don't forget a little paper umbrella! \$14.99

Need healthy snacks in a hurry? Leave those knives in the block and grab the the **Chef'n® QuickQuad Produce Wedger** . Quickly and safely quarter carrots, cucumbers, cherry tomatoes and more for afternoon snacks, school lunches, or a bountiful veggie platter. To use, remove the pusher and place fruit or vegetable into the tube. Press the pusher down to wedge. The QuickQuad pieces separate for easy clean up. Simply press the buttons on the side to disassemble. \$9.99

The **Chef'n Silkster Corn Brush** gets that pesky silk off of the cob in no time! The ergonomic design fits comfortably in the palm of your hand while the bristles hug the cob to quickly remove the silk from between each kernel.. It also works great to clean carrots, squash and cucumbers. \$5.99

The **Chef'n SweetSpot Ice Cream Maker** is a revolutionary tool bringing you ice cream instantly. No more rock salt. No more waiting. No more store bought pints. To use, freeze the Chef'n SweetSpot for 24 hours before making ice cream (keep it in the freezer so it's always ready!) Whip up a mixture for your favorite ice cream or other frozen treat and chill in the freezer for 15 minutes. Remove from freezer and pour  $\frac{1}{2}$  cup of mixture onto the frozen surface. Mixture begins to freeze in 30 seconds. Roll or scoop and add mix-ins if you like. It includes 2 paddles to scoop, turn and roll the ice cream to the consistency you like. \$54.99

The Keep your cool all year long with **Chef'n Sweet Spot Ice Pop Maker**. They are easy to hold, and fun for kids and adults! Make a batch of chilly treats and when you are done toss 'em in the dishwasher for quick clean up. Juice, coffee, yogurt, tea, whatever your flavor, pop the top and enjoy!. \$12.99 for a set of 6

The **Chef'n Sweet Spot Mini Popsicle Maker** makes it easy to create healthy popsicles at home. Get creative by using juice, fresh fruit, coffee, yogurt, or your favorite cocktail. Sits flat for compactness and easy-freezing. Silicone construction makes it easy to pop them out. \$12.99 for a set of 6

# FARBERWARE®

With this **Farberware® Fruit Knife Set**, you'll always have essential cutlery on hand for cutting and garnishing fruit. The serrated chef knife is perfect for cutting gently through fruits, the paring knife is crucial for more precise, controlled jobs like peeling and cutting delicate fruits, and the grapefruit knife is designed to section slices from the rind. The set includes: 6-inch serrated chef knife, 3-1/2 inch deep paring knife, and 3-inch grapefruit knife. \$9.99

With this **Farberware® Vegetable Knife Set**, you'll always have essential cutlery on hand for cutting and garnishing vegetables. The Nakiri knife is ideal for slicing, mincing, and chopping vegetables, the tomato knife is perfect for slicing foods that are hard on the outside and soft on the inside, and the coring knife is used to remove cauliflower stalks. The set includes: 6-inch Nakiri Knife, 5-1/2 inch tomato knife, and 3-inch coring knife. \$9.99

**Farberware® Ultra Sharp Knives** are crafted with an automated sharpening process that ensures each knife has a precise blade edge. The specially engineered scalloped serrations allow for continued sharpness for years.

- The **5-Inch Chop and Scoop Cleaver** is ideal for cutting cheeses, soft fruits and herbs. Because it's flexible and flat, it doubles as a bench scraper, offering the convenience of cutting and then sliding food off the board and into a pot. \$5.99
- The **8-Inch Serrated Chef Knife** combines the capabilities of a serrated bread knife with the versatility of a chef knife. \$6.99
- The **3.5 Inch Trimming Paring Knife** is ideal for intricate food preparation requiring control, such as mincing, peeling, coring, or creating garnishes. \$3.99
- The **7-Inch Rock and Chop** combines the utility of a serrated knife with the versatility of a fine-edge Santoku knife. The curved design allows the blade to rock, and kullens prevent food from sticking to the blade. \$6.99
- The **5.5-Inch Serrated Utility Knife** can handle the work of both a utility knife and a fillet knife. The serrated stainless steel blade slices effortlessly through everything from tomatoes or lemons to chicken and fish. \$5.99

The **Farberware® 15-Piece Forged, Triple-Riveted White Handle Cutlery Set** is a sleek addition to any kitchen, and includes all the essential knives for food prep. Knives are forged to keep their edge longer, and feature high-carbon, stainless steel blades for strength and durability. The triple-riveted handles are ergonomically designed for comfort and have a contemporary white finish. All pieces stay organized and within reach in a wood storage block. The 15-piece set includes: 8-inch chef knife, 6-inch slicing knife, 5-inch Santoku knife, 5-inch serrated utility knife, 4-1/2 inch fine-edge utility knife, 3-1/2 inch paring knife, six steak knives, sharpening steel, all-purpose shears, and a wood block. \$79.99 Item 5264517

This **Farberware® Edgekeeper 16-Piece Forged Triple-Riveted White Handle Cutlery Set** is a sleek addition to any kitchen. The acacia wood block includes a built-in Edgekeeper Universal sharpener that allows you to easily sharpen the blades. The forged, stainless steel knives feature white, tripled-riveted handles, ergonomically designed for comfort. The 16-piece set includes: 8-inch chef knife, 6-inch slicing knife, 5-inch Santoku knife, 5-inch serrated utility knife, 4-1/2 inch fine-edge utility knife, 3-1/2 inch paring knife, eight steak knives, all-purpose shears, and a wood block with Edgekeeper Universal sharpener. \$79.99 Item 5271006

The **Sabatier® 15 piece Acrylic Handle Cutlery Block** provides a sleek look for any kitchen with striking grey acrylic knife handles and a black block. The high-carbon stainless steel knife blades hold an ultra-sharp edge and the knives are perfectly weighted and balanced for control. The cutlery set includes, 8-inch chef knife, 8-inch slicing knife, 7 inch Santoku knife, 5-½ inch serrated utility knife, 4-1/2 utility knife 3-1/2 inch paring knife, six steak knives, sharpening steel, all-purpose kitchen scissors, and a wood block. Hand-wash with warm water and a mild detergent; rinse and dry immediately. \$69.99, Item 5255854

The **Sabatier® 15-piece Cutlery Block Set** is a stylish update to any kitchen, while also offering an impressive selection of knives for any cutting task. This block features forged cutlery in an acacia wood block. The knives are crafted from high-carbon stainless steel and feature white, triple riveted handles that are perfectly weighted and balanced for control. The 15-piece cutlery set includes 8-inch chef knife, 8-inch slicing knife, 5 inch serrated utility knife, 5-1/2 inch Santoku knife, 4-1/2 utility knife, 3-1/2 inch paring knife, six steak knives, sharpening steel, all-purpose kitchen scissors, and an acacia wood block. \$89.99, Item 5255849

The **Sabatier® 5-Piece Acrylic Handle Knife Set** includes essential cutlery pieces for any cutting task. This 5-piece set of knives, perfect for tackling everyday food prep tasks, includes an 8-inch chef knife, 6-inch slicer knife, 5-inch Santoku knife, 5-inch serrated utility and a 3 ½ paring knife.

**Sabatier® Resin and Wood Cutting Boards** feature a resin detail that is beautiful and functional. These unique, hand-crafted boards can be used for chopping or serving.

The **Sabatier® 8"x18" Prep and Serve Board** is a dual functional board designed for cutting and prepping food on the wood side and serving on the stone side. This item is perfect for gifting and entertaining. Crafted from acacia wood and stone. \$29.99, Item 5256865

**Built<sup>®</sup> Grip Insulating Food Jars**, available in 10 and 16 ounce sizes, help keep food cold for more than 9 hours or hot for up to 7 hours with their double walled, vacuum insulated, 18/8 grade stainless steel construction. With a soft rubber grip for a comfortable hold, these food jars are easy to open and close. The lid was designed with a softly curved edge for comfort while using the food jar. The jar has a wide mouth opening that's perfect for eating out of and makes for easy cleaning. These compact, insulating food jars were designed to be cool to the touch with hot food, and sweat-proof with cold foods. Perfect for school, work, road trips, camping and other adventures, the jars are made from 100% BPA-free materials. Hand washing is recommended. 10 ounce (\$12.99), 16 ounce (\$14.99).

Our **Built® 20-Ounce Vacuum Insulated Tumbler** is made from 18/8 double-wall, vacuum-sealed stainless steel to help maintain the temperature of cold beverages for up to 24 hours and hot beverages up to 6 hours. The lid, made from durable BPA-free Tritan™ plastic, has a rotating splash guard. The tumbler holds 20 ounces, fits standard cup holders, and is perfect for indoor and outdoor use. \$14.99

Our **Built® 30-Ounce Vacuum Insulated Tumbler** features 18/8 double-wall stainless steel with vacuum-sealed construction. This tumbler maintains the temperature of cold beverages for up to 24 hours and hot beverages up to 8 hours. The lid is molded from BPA-free Tritan™ and has a rotating splash guard. The tumbler holds up to 30 ounces of your favorite beverage and fits into standard cup holders. \$19.99

The **Built® Prospect Water Bottle** features an ergonomic shape and carry handle that nests on the cap. Available in 24 ounce, 32 ounce (new!), and 40 ounce sizes. The bottle's curved neck was designed for a comfortable grip when drinking, and the cap has a leak-proof seal. The lid securely locks back when opened to keep the cap away from your face. A silicone grip around the neck makes it easy to unscrew the lid for a wide opening for filling and cleaning. Made with an abrasion and scratch resistant powder coated exterior finish, this double walled, vacuum insulated, 18/8 grade stainless steel bottle helps keep drinks cold for up to 24 hours or hot up to 8 hours. Made with 100% BPA-free materials, the Prospect fits most standard car cup holders. Dishwasher safe. 24 ounce (\$24.99), 32 ounce (\$27.99), 40 ounce \$29.99.

Built NY is committing one percent of net wholesale sales of the Built 18-ounce Cascade Water Bottle to help provide families in need with life-changing access to safe water and sanitation. The Built Cascade Bottle is perfect for on-the-go-hydration. It features an ergonomic, streamlined silhouette designed to fit comfortably in the hand, and the bottle colors are inspired by the water and sky. The patent-pending, leak-proof lid has a silicone grip for effortless on-and-off twisting. The wide-mouth opening is great for adding ice and liquids, and makes the bottle easy to clean. The vacuum-insulated construction helps keep beverages cold up to 24 hours and hot up to 8 hours. The 18-ounce Cascade bottle is BPA-free, has a suggested retail price of \$19.99, and is available at xxx. item 5259318

The **Built**<sup>®</sup> **Lunch Box** features a large insert for an entree and two smaller compartments for sides, snacks, or dessert. The trays are removable so you can heat up portions separately when needed. There is a phone stand incorporated into the box for hands-free use while enjoying lunch. Two latches lock shut for an airtight and leak-proof closure. The silicone gasket is removable for easy cleaning. The BPA-free Built Lunch Box has an outer shell made from durable ABS material, and the inserts are made from ABS material. The inserts are dishwasher, freezer, and microwave safe. \$16.99

The **Built® New York Utopia Welded Cooler™ Bag** combines performance and durability with a fashionable tote style. This bag features a wide-mouth zippered opening for accessibility and easy cleaning. Its welded seams create a leak-proof construction. The double-coated tough shell exterior is resistant to puncture and abrasion while the EVA molded base provides stability. Capable of holding up to 26 cans plus ice, the Utopia Welded Cooler™ is the perfect companion for bringing meals, snacks and drinks to the beach, park, tailgating or anywhere on the go. \$159.99 (Botanical Leaf)

The **Built New York Welded Cooler™ Large Bag** is leak-proof and designed to keep ice for days. The wide mouth, roll-top, zippered opening allows for easy loading and unloading, quick access to contents, and easy cleaning. Crafted from a heavy-duty, tough shell fabric similar to white water rafts, this large-capacity bag is highly resistant to puncture and abrasion. Pack it with up to 18 beverage cans plus 10 pounds of ice, or 32 cans and ice, or up to 30 pounds of ice alone. This BPA-free cooler has a padded, adjustable shoulder strap, reinforced side handles, a built-in bottle opener, and was tested for lead safety and phthalates. Available in Olive, Arctic Ice, Teal Palms (pictured), and Pewter. \$179.99

A contemporary take on two classic bar tools, the **Rabbit Silicone Strainer + Stainless Steel Jigger** will instantly elevate your home bar. The strainer fits most cocktail mixing glasses and rests at an angle in the glass for comfortable pouring. The jigger includes precise measurements and nests within the strainer for storage. \$20.00

Effortlessly mix and chill spirit-based drinks and mimic a bartender's technique for stirring craft cocktails with the **Rabbit Cocktail Spin Spoon**. The rotating handle allows spoon to naturally follow contour of glass while stirring, minimizing dilution, ice chips, and frothing. \$15.00

The **Rabbit Wooden Muddler + Reamer** is the optimal tool for your next mojito, Caipirinha, or other refreshing cocktail. Solid Acacia wood muddler with a rounded base is perfect for muddling herbs, citrus and other ingredients. Unscrew the cap on the opposite end to use the built-in citrus reamer. \$15.00

A well-crafted garnish is essential for a beautiful cocktail. The **Rabbit Garnish Tool** will help you create garnishes for each and every cocktail with the channel knife, peeler or zester. \$20.00

The **Rabbit Cocktail Shaker** features a locking lid that creates a leak free seal, and is easy to open - even when wet or cold. It also includes an integrated strainer and a jigger for accurate measuring. Double wall stainless steel vessel keeps hands warm and drinks cold. \$30.00

Raise the bar and bring the craft cocktail experience home with the **Rabbit 6-piece Craft Cocktail Bar Tool Kit**. Create classic cocktails or your own unique recipes and top them with the perfect garnish. Set includes; Silicone Strainer, Stainless Steel Jigger, Cocktail Spin Spoon, Mixing Glass, Muddler + Reamer, and Garnish Tool. Cheers! \$80.00

The **Rabbit Electric Corkscrew** makes opening your next bottle of wine simple and effortless. This new Electric Corkscrew has a sleek profile, modern aesthetic, is quieter than before, and includes a foil cutter that doubles as a stand and USB port for charging. \$50.00

Never misplace or confuse your wine glass again with the **Rabbit Wine Charms Bottle Stopper**. This set includes 8 wine charms that clip onto the bottle stopper so guests can easily grab a charm with their glass. Charms secure on wine glass stem or edge of glass. Bottle stopper fits all cork bottle sizes. Hand wash. \$10

Enjoy hot or cold beverages in style with **Rabbit Stainless Steel Tumblers**. Crafted of durable 18/8 stainless steel, these double walled tumblers maintain the temperature of drinks longer, whether hot or cold. Includes a sip-through lid to prevent spills and, a non-slip base. \$14.99 each

The **Taylor 5257576 USB Rechargeable Precision Food Scale** brings innovation to the kitchen with a USB charging port and the ability to hold power for over a week of normal use. No more need to change batteries. The removable platform is stain resistant and easy to clean. Use the tare function to weigh multiple ingredients in the same container. Hold feature locks in the last weight. Max Capacity: 11 lb x 0.01 oz, 5000 g x 0.5 g (dry). 176 fl oz x 0.01 fl oz, 5000 mL x 0.5 mL (liquid). \$29.99

The **Taylor 5255124 Flavor Infuser Pod** saves time and offers convenience for infusing flavors into roasts, soups, stews, hot mulled cider, teas, and more. With a heat-resistant silicone lanyard to attach to stock pots and roasters, simply open the durable, food-grade stainless steel pod, add herbs and spices and snap the lid back on. Place the pod inside your pot or roaster while cooking to infuse flavor and contain the mess. You can also hang it from a pitcher to create mulled cider or brew tea. The Taylor flavor infuser pod is simple to use and dishwasher-safe. \$14.99

The **Taylor 5257579 Programmable Wired Probe Thermometer** monitors the exact temperatures of meat, poultry or any food without opening the oven door. An alarm signals the end of a preset cooking time, or when the desired internal food temperature is reached. The thermometer features a stand up display for countertop use, and the cord wraps around the clip so it won't get lost during storage. Important: probe will be hot after use. Use potholders or oven mitts when handling hot thermometer. \$24.99

With its super bright 0.5" display, the **Taylor 5257578 Digital LED Thermometer** is easy to read in any light at any angle. The convenient HOLD button allows the temperature to be locked on the display even when the thermometer is removed from the food. The "power save" mode helps to conserve battery life. It's also highly accurate with a temperature range of -40°F to 450°F/-40°C to 232°C. \$19.99

The **Taylor 35199 Digital Pen Style Thermometer** offers professional quality and accuracy from -40° to 450°F or -40° to 230°C. It's waterproof design offers dependability in the kitchen. The HOLD button feature "freezes" the temperature on the display, even when thermometer is removed from food. This thermometer offers a fast response time and one second updates. It features an On/Off switch and automatically shuts off after 10 minutes. NSF listed. One LR44 lithium, mercury free battery included. \$14.97, Walmart.com

The **Taylor 5255461 Precision Digital Scale with Weighing Tray** is small enough to tuck away when not in use and travels well for an on-the-go healthy lifestyle. The scale is accurate and precise, with a max capacity up to 4.4lbs/2000g. It has ultra-fine increments (0.01oz/0.1g) to weigh the smallest portions of spices, herbs or a handful of nuts. A clear, dishwasher-safe weighing tray contains food items and inverts over the platform for storage. The "add" and "weigh tare" function allows multiple ingredients to be weighed separately using the same bowl and can zero out the weight of any container. It features auto shut off for convenience and to preserve battery power. \$17.99

The **Taylor 5255125 Glass Digital Bath Scale with Farmhouse Design** provides accuracy and style with a large 12.4" x 12.4" durable, tempered glass platform with metallic bronze hinge design. The 3.2" x 1.5" display is easy to read and the scale takes weight readings up to a capacity of 400 lb in 0.2 lb increments. Featuring step-on technology, there is no need to tap the scale before taking a reading. Simply step on the scale to engage. It also features a low battery indicator and auto off function to extend battery life. Operates on 2 AAA batteries (included). \$24.99

The **Taylor 5255147 Glass Digital Bath Scale** has a unique dimensional bevel design and a large 12.2" x 12.2" platform made from durable, tempered glass. The 3.2" x 1.5" display has a white, easy-to-read backlight and the scale takes weight readings up to a capacity of 400 lb in 0.2 lb increments. Featuring step-on technology, there is no need to tap the scale before taking a reading. Simply step on the scale to engage. It also features a low battery indicator and auto off function to extend battery life. Operates on 3 AAA batteries (included). \$24.99

The **Taylor 14" x 14" Pet Rescue Clock with Thermometer** is perfect for animal lovers and pet parents. The hand crafted, hand painted clock/thermometer features a dog and cat design and “The Best Things In Life Are Rescued” in bold white lettering. The poly resin clock/thermometer is UV and fade resistant which allows the colors to stay rich and vibrant, even in the outdoor elements. The clock boasts easy to read numerals and quartz clock movement for accurate time measurement. The precision made thermometer coils allow a wide temperature range from -60°F to 120°F while maintaining Taylor’s high levels of accuracy. \$49.99

The **Taylor 14" x 14" Lemonade Clock with Thermometer** offers a rustic, modern farmhouse feel. This hand painted clock/thermometer features an “ice cold lemonade” design on a faux wood plank background. The poly resin is UV and fade resistant which allows the colors to stay rich and vibrant, even in the outdoor elements. The clock boasts easy to read numerals and quartz clock movement for accurate time measurement. The precision-made thermometer coils allow a wide temperature range from -60°F to 120°F while maintaining Taylor’s high levels of accuracy. \$49.99

The KitchenAid **aluminized steel bakeware collection** is specially designed with extended handles that enable easy transport to and from the oven, and allow you to get a good grip, even while wearing bulky oven mitts. Its heavy-duty aluminized steel construction promotes even heat distribution and added durability. The pans feature uniquely designed rolled rims to prevent warping and popping in the oven. These ultra-durable pans stand up well to everyday use and feature a dual-layer, nonstick coating that's abrasion-resistant. This special coating releases food easily, so your baked goods never stick to the pan. Plus, they're dishwasher safe, making cleanup a breeze.

Featured in this collection: Small Baking Sheet, Medium Baking Sheet, Large Baking Sheet, Cookie Slider, Round Cake Pan, Square Cake Pan, Loaf Pan, 9x13 Cake Pan, 12 Cup Muffin Pan, 24 Cup Mini Muffin Pan, 6 Cup Mega Muffin Pan, Pizza Crisper

**KitchenAid Vitrified Stoneware Bakeware** allows you to bake and serve in the same dish. The vitrified stoneware construction provides excellent heat distribution, plus superior durability that makes these pieces ideal for everyday use. The straight interior walls ensure professional results, while the specially designed handles allow for easy transport. Perfect for serving, the rectangular baker and round casserole baker include lids that can also be used separately as trivets. Featured in this collection: Round Casserole Dish with Lid, 9x13 Rectangular Baker with Lid, Pie Plate, Square Baker, Loaf Pan, Set of Ramekins

Color has long been one of the main defining attributes of KitchenAid appliances and accessories, so we're proud to introduce a new focal color for 2020: **Blue Velvet**. Introducing this new tone not only updates the brand with fresh, modern appeal, it also makes it more cohesive, tying together tools and gadgets with KitchenAid Electrics.

## New item include:

- Prep Bowl Set, S/4 Pinch Bowls, S/3 Mixing Bowls, Measuring Spoon Set, Measuring Cup Set, Measuring Cups and Spoons Set, Measuring Jug Set, 8-Cup Batter Bowl, 5-Quart Colander

# FARBERWARE®

The **Farberware® Professional Spoon Rest with Smart Device Holder** is designed to function as a spoon rest with the ability to hold a tablet or phone while working in the kitchen. The bottom is weighted to balance heavier tablets. Place smart device into soft holder and enjoy stable recipe scrolling without having to worry about getting food residue on your device. This spoon rest is sized to hold cooking utensils and helps keep workplaces clean and functional. Compatible with a wide variety of tablets and smartphones in or out of cases. Nonslip feet. \$16.99 Item 5247629

The **Farberware Classic Kitchen Crock with Knife Holder Set** is a multi-tool organizer designed to hold essential kitchen tools while safely storing 2 paring knives, and shears. This modern storage solution provides countertop organization for every kitchen style. The Crock set comes with a turner, basting spoon, whisk, tongs, shears, and 2 paring knives. Soft bottom: won't scratch your countertops. \$29.99 Item 5255959

# FARBERWARE®

The **Farberware® Professional Pump Salad Spinner** washes and dries salad in seconds. The easy-to-use, one-handed pump mechanism features an easy stop brake button to stop spinning immediately. The clear bottom basket doubles as a serving bowl and the green basket doubles as a colander. The soft, non-slip base and pumping knob provide stability, and the pumping knob locks-in place for storage. \$ 24.99 Item 5264312

**Farberware's Pro Angled Measuring Cups** make kitchen measurement more precise. The angled surface on these measuring cups (1-cup, 2-cup, 4-cup sizes), allows you to read measurement markings by looking straight down into the cups, so you get exact measurements every time, without having to stop pouring to see if liquids line up with the markings! The measurement markings are easy to see and come in standard and metric measurements of cup, ounce, and milliliter. Plus, these measuring cups are dishwasher safe.

The **Copco 2-Tier Snack Turntable** makes it easy to organize favorite snacks in the kitchen, cosmetics in the bathroom cabinet, pantry items and many more items in all rooms of the house. The top tier is great for holding granola bars and fruit snack packets and the bottom tier for holding bags of chips. The removable, divided compartments on the top tier make it easy for refilling and bringing items down to a lower level. A center support ensures stability and for the favorite snacks to be in easy reach. Raised edge keeps snacks contained while turning, and a soft, non-skid liner keeps items in place. The easy-gliding revolving turntable is perfect for maximizing space. To clean, wipe with a damp cloth. Dimensions: Top Tier 10"D , Bottom Tier 12"D x 9.7"H, \$29.99

The **Copco Junk Drawer Organizer** is perfect for storing commonly used items in the home all in one place for organizing cabinet space. The three compartment configuration with added accessories allows you to customize drawer space. The easy access box is great for containing small items such as paper clips and bag clips; smooth edges make it easy to grab items inside. The cable keeper neatly holds phone chargers or head phones that tend to get tangled up. The floating tray creates a second level in the organizer and is great for storing other smaller items such as rubber bands, small flashlights, or batteries. The organizer comes with soft, non-skid liners and soft feet on the bottom to keep the organizer in place while opening and closing the drawer. To clean, wipe with a damp cloth. 13”L x 11”W x 2”H. \$19.99

The **Copco Aluminum Compact Dish Drying Rack** has a compact aluminum frame that keeps items contained while drying and holds a variety of items, including large cookware. Rust-proof aluminum wires keep dishes in place and provide durability. The three compartment caddy is great for organizing and drying flatware and may be placed inside or outside the dish rack frame. The flatware caddy is also removable for bringing items to the drawer with ease. The removable, angled drain board directs water into the sink and keeps countertops dry. Soft, non-slip feet help prevent scratches on surfaces and keep the dish rack in place. 18.42”L x 13.62”W x 5.9”H. \$59.99

**Towle Living** is renowned for beautiful, high-quality flatware and serveware pieces, and this **Acacia Wood Serving Collection** certainly fits the bill. The polished stainless steel heads complement the natural beauty of the acacia wood handles, and the design lends itself nicely to casual or elegant gatherings. Because these materials are so sturdy, they also stand up well to everyday use. Featured in this collection:

- *2-Piece Serving Set*, which includes a large serving spoon and serving fork
- *4-Piece Demi Spoon Set*, for stirring coffees and teas, or serving spreads and chutneys
- *4-Piece Cocktail Fork Set*, for spearing hard cheeses, meats, vegetables
- *4-Piece Spreader Set*, for spreading soft cheeses, pâtés, jams, and more
- *3-Piece Cheese Server Set*, featuring a cheese fork, soft cheese knife, and fork-tipped hard cheese knife

This **Gourmet Grillware Double Sided Grill Pan** from **Wilton Armetale** is perfect for your grilling, tailgating, camping and cooking needs. Able to withstand temperatures up to 1000°F, this pan heats quickly and cooks evenly whichever side you are cooking on. This piece is very versatile, one side has a flat griddle like surface and the other has grill marks. Both sides are fantastic for cooking meats, veggies, fish and even desserts. You can grill and serve all in the same piece. Hot foods will stay hot longer. If you chill your Grill Pan before serving cold foods, your food will stay chilled longer. Gourmet Grillware will not rust, chip, crack or tarnish. Hand washing with warm soapy water is recommended.

These **Gourmet Grillware Petite Grillers** from **Wilton Armetale** are perfect for your grilling, tailgating, camping and cooking needs. Able to withstand temperatures up to 1000°F, these pieces heat quickly and cook evenly. These smaller, versatile versions of our regular sized pieces are perfect for individual servings of your favorite recipes. Use these on a grill, on your stovetop on or in the oven to cook meats, veggies, fish and even desserts. You can grill and serve all in the same piece. Hot foods will stay hot longer. If you chill your Grillware before serving cold foods, your food will stay chilled longer. Gourmet Grillware will not rust, chip, crack or tarnish. Hand washing with warm soapy water is recommended.

Busier lifestyles and the current global trend toward single-serving meals, meals made for smaller households, and the need for quicker cooking and reheating, means a greater demand for smaller bakeware pieces. The **Chicago Metallic 4-Piece Toaster Oven Set** fits the bill, with durable bakeware that features a nonstick coating for smooth release and easy cleanup. This 4-piece set, made from carbon steel for superior heat conduction and even baking, includes all items for making the most delicious toaster recipes: Nonstick Crisping Tray; Nonstick Taco Rack; and Nonstick Casserole/Baking Pan; plus, a Cordierite Pizza Stone. \$24.99

Exclusive to **Chicago Metallic**, the iridescent finish of **Aurora Bakeware** is evocative of popular trends like unicorns, mermaids, and all things galactic. The unique shimmer and color-changing effect truly sets this collection in a class by itself. As practical as they are beautiful, the fantastical pieces in this high-performance collection are durable and also nonstick for easy cleanup. Bakers of all ages will enjoy whipping up treats with Chicago Metallic Aurora Bakeware!

These **3D Cookie Cutter Sets** from **Chicago Metallic** offer playful shapes that encourage creativity and enjoyment, and the 3D cookies you'll produce are sure to dazzle family and friends!
