

# PEACH BARN

FARMHOUSE & BREWERY

Just up the hill from the Village of Sister Bay sits the Peach Barn Farmhouse & Brewery. Our specialty is brewing delicious, local beer & hard seltzers, but we also offer a relaxing and inviting environment focused on cozy seating and a simple, natural Door County experience. Sitting on a 1.5 acre beautifully landscaped property with two large pergolas, firepits, relaxed seating and an indoor taproom, we offer outdoor and indoor accommodations for small or large gatherings to fit your needs.
