SHANI OUTDOOR PENDANT

49223
H: 21 IN, Dia: 13.50 IN
Aged Brass
Contract Suitable As Is

The mid-century craftsman style of this pendant light makes it intriguing and modern, while its grand scale gives it presence. The steel frame is almost sculptural, featuring a linear pattern that is hammered and finished in aged brass, adding to the mid-century modern feel. It conceals a sleeve of opal glass that filters the light from three bulbs, so the light it emits spreads warmly outward and openly downward. Additional chain
