

Materials:

Fabric A: 6 Different Fat Quarters

From each fat quarter cut (4) 2 1/2" x 21" strips

Use remaining pieces of fat quarter for a scrappy binding

Fabric B: 1 Fat Quarter

Cut (1) 10" square

Cut (12) 2 1/2" squares

Binding: included in fat quarter requirements

Backing: 1 1/2 yards

Sewing Instructions:

This table runner is built from the center out. Determine the order of your colors from fabric A and sew them in the same order on either side of the center block.

To begin, sew one 2 1/2" square of fabric B to the end of 2 of each color strip from fabric A, creating an A/B unit. Set aside.

Start the french braid by sewing one single strip from fabric A to the 10" square of fabric B. Take an A/B unit in the same color and sew to the next side of the 10" block, aligning the fabric B portion to line up with the first strip of fabric A. On the third side of the 10" block sew another single strip from fabric A. Finish the 4th side with the second A/B strip in that same color way.

Repeat this method for each color way, lining up the A/B units so the diamond effect builds down opposite sides of the block, as shown.

Once all the colors have been sewn to either side of the center block, take a long ruler and square off the sides, leaving the top and bottom sides in a V formation.

Quilt, Bind, and Enjoy!
