Fabric B:13/4 yards background

Subcut (10) 4" x 4" squares from each strip for a total of 96 squares (there will be a few extra)

## Create Half Square Triangles:

On the wrong side of each 4 " square of fabric $B$, mark a diagonal line from corner to corner. Place each of the marked Fabric B, RST with the 4 " squares of Fabric A. Sew a $1 / 4$ " seam on both sides of the marked line. Cut along the marked line, between each seam. Open and press creating 2 HST from each unit. Square up each HST to $31 / 2 "$ ". You should now have 192 HST blocks.

## Create the Rows:

Mix up your fabrics and colors throughout the building of each row.

Row A: Sew 4 HST and (1) $31 / 2$ " square from fabric B as demonstrated. Repeat, making 2 different assorted rows. Make a total of 24 rows.

Row B: Sew 4 HST and (1) $31 / 2$ " square from fabric A as demonstrated. Repeat, making 2 different assorted rows.

Row C: Sew (2) $31 / 2{ }^{\prime \prime}$ squares from fabric $A$ and (3) $31 / 2$ " squares from fabric $B$ as demonstrated.

## Build the Blocks:

Sew together each row as A, B, C, B, A to create the block. Be sure to reverse the last $2 A / B$ rows to create the desired look. Repeat to create 12 blocks.

## Borders:

Lay out the blocks in 4 rows of 3 blocks each. Sew the rows together to complete the center of the quilt.

Randomly sew together the $31 / 2$ " strips from fabric A. Measure the quilt top and cut 2 strips of equal length to match the sides. Sew these strips to either side of the quilt top. Measure the top and bottom, cut 2 strips of equal length to match those. Sew these strips on.
