Sewing Instructions:

Draw a diagonal line on the wrong side of (2) A squares. Set (1) A square aside for the third step.

Place (1) A square with (1) E square, right sides together. Sew a 1/4" away from both sides of the drawn diagonal line. Cut along the drawn diagonal line, making (2) A/E HST units. Trim HST units to 3" x 3" unfinished.

Repeat HST unit assembly to make (4) D/H HST units.

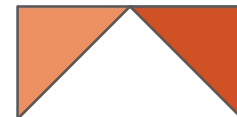

Draw a diagonal line on the wrong side of (4) C squares and (4) D squares.

Place (1) D square onto the top left corner of (2) B rectangles, right sides together. Sew along the drawn diagonal lines. Trim excess corner fabric to a 1/4". Press toward the corners.

Repeat SNF techniques to attach (1) C square to the top right corner of the same (2) B rectangles to complete (2) flying geese units measuring 5 1/2" x 3" unfinished.

Repeat flying geese unit assembly to make (2) units with opposite fabric placement. Reference diagram to the right.

Arrange HST units, flying geese units, (2) G squares and (2) H squares to form the block.

Sew the block together as shown. Press seams away from flying geese units. Once complete, the block should measure 10 1/2" x 10 1/2" unfinished.
