Sewing Instructions:

1. Draw a diagonal line on the wrong side of 8 B pieces and 8 M pieces. Place an M piece on the top right corner of an A piece and sew on the drawn line. Trim away excess fabric, leaving 1/4" seam allowance. Press. Repeat with another M piece in the top left corner (2 1/2" x 2 1/2").

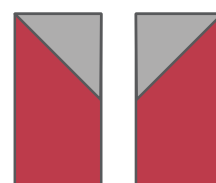

Repeat to make a total of 4 A/M units. Using the same process explained above, repeat with the B and K pieces to make 4 B/K flying geese units (1 1/2" x 2 1/2").

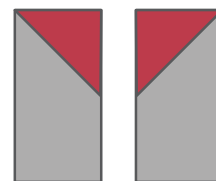

2. Sew one B/K flying geese unit to the bottom of one A/M unit and press (2 1/2" x 3 1/2"). Repeat with the other A/M and B/K units.

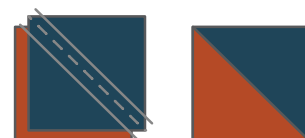

3. Draw a diagonal line on the wrong side of the J squares. Place a J square on the top right corner of a C rectangle. Sew along marked line. Trim away excess fabric, leaving a 1/4" seam allowance. Press (2" x 3 1/2"). Place another J square on the top left corner of another C rectangle. Sew along the marked line. Trim away excess fabric, leaving 1/4" seam allowance. Press (2" x 3 1/2"). Repeat to make 4 sets of C/J units.

4. Repeat step 3 using the D squares and I rectangles to make 4 sets of D/I units (2" x 3").

5. Draw a diagonal line on the wrong side of the H squares. Align the E and H squares, right sides together. Sew along both sides of the drawn line with a 1/4" seam allowance. Cut along the drawn line. Makes 2 half square triangle blocks (HST). Open and press both HSTs. Trim HST units to measure 2 1/2" x 2 1/2". Repeat to make a total of 4 HSTs.

6. Lay out pieces and sew as illustrated. Sew sections into rows. Press to complete the Tuplip Block (10 1/2" x 10 1/2").
