

Vegas Steps

Materials:

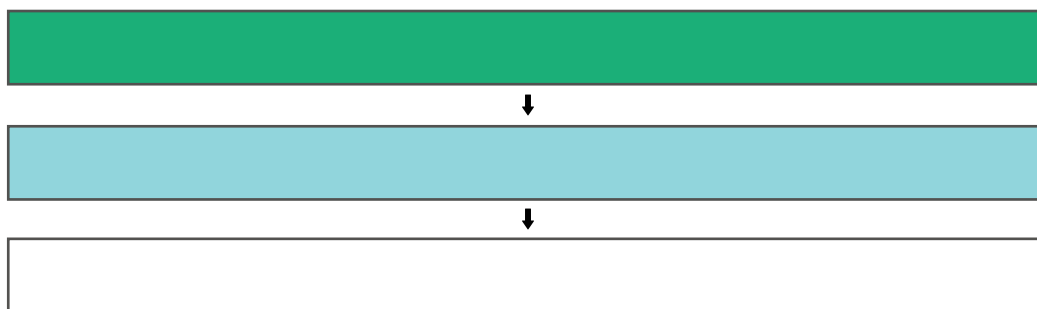

Backing: 5 2/3 yards

Binding: 2/3 yard

Sewing Instructions:

Strip 1:

Make 6 of the following sets: Choose 2 vegas strips and 1 background strip.
Sew them together along the length as pictured. Press.

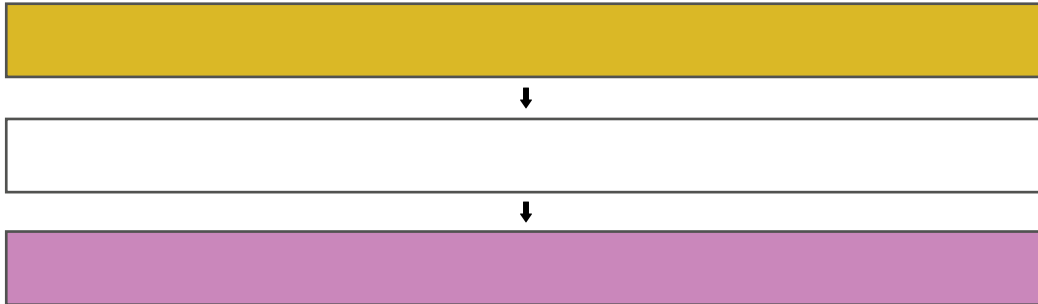

Subcut this new strip set into (6) 6 1/2" units. Repeat and set aside.

Strip 2:

Make 3 of the following sets: Choose a Vegas strip, a background strip and another Vegas strip. Sew them together along the length as pictured. Press.

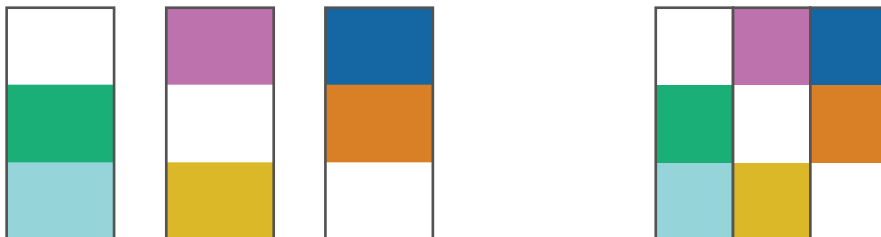

Subcut this new strip set into (6) $6\frac{1}{2}$ " units. Repeat and set aside.

To maximize variety in your blocks, split the remaining 3 Vegas strips in half at the 21" point. Now take these shorter strips, mixing them up and create 2 more of the Block 1 set and 1 more of the Block 2 set. Subcut those into the $6\frac{1}{2}$ " units.

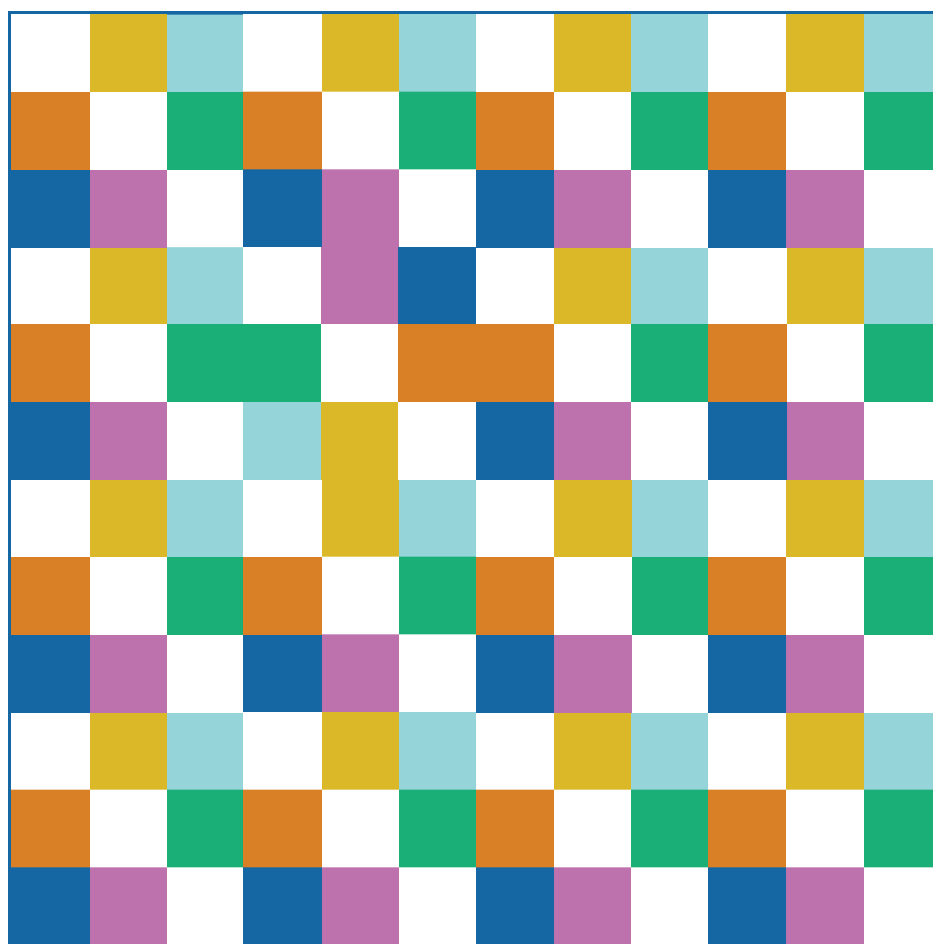

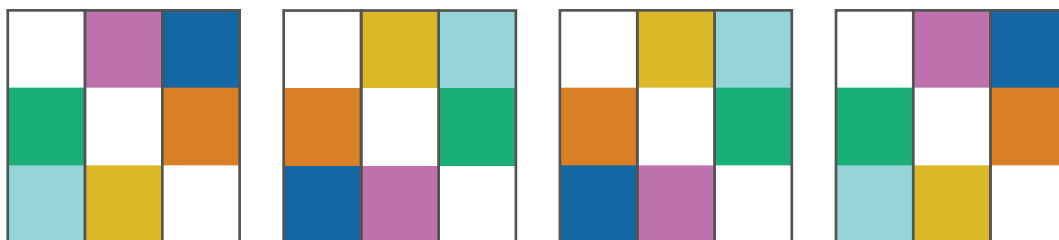

9-Patch Blocks

Gather (2) different Strip 1 units, and (1) Strip 2 units. Lay them out as pictured, creating a 9-Patch Block.

Repeat, mixing up all of the units for a scrappy look. Make a total of (20) 9-Patch blocks.

Lay out the 9-Patch blocks as desired in a 4 x 5 grid. Sew rows together, matching seams.

Quilt, Bind & Enjoy!
