PowerMine-600

PowerMine-600 is a powerful 600W/172800mAh power bank designed to serve as a one-stop solution for all your off-grid charging needs. Carry all your essential electronic devices out on the road, use them wherever you go and set them up anywhere. The 600W inverter provides 230V AC mains power to run appliances such as TVs and laptops. PowerMine-600 also includes high-power USB and USB-C charging ports suitable for charging most laptops, tablets and smartphones. When PowerMine-600 finally runs out of power, recharge it fully in as little as 4 hours through the DC and USB-C inputs.
